Thi recommendation was accepted with an amendment that all denomina tions be invited to participate. An invitation was extended to Dr E. J. Daniels and his party, and the time for this Crusade was set fo August 14 through August 28th. Several months ago seventeen com mittees were appointed and the ground work was prepared for th greatest evangelistic opportunity, perhaps, in the history of the Caro lina Baptist Association. Forty seven churches have openly com mitted themselves to support this effort with a number of other stating that they will support it with their presence.

Time and space does not permit us to list all of those who hav helped in this preparation, but each General Chairman of the seven teen committees was to enlist a Chairman in each of the forty seve churches. They, in turn, were to enlist others to help them. It i the hope of this chairman that every church will transfer their Sunda evening and Wednesday evening services to the tent which will b erected on Main Street on the lot belonging to the Main Street Bap tist Church. It is the desire of the Evangelism Committee that ever

church in our Association support this Crusade with their prayers and attendance.

BAPTIST FOUNDATION REPORT

The Baptist Foundation Report was presented by John Rymer which was adopted. Then Gordon Maddrey, Executive Secretary of North Carolina Baptist Foundation, painted a word picture of the work of the Foundation showing how it serves N.C. Baptists in their stewardship of their material blessings even after death.

BAPTIST FOUNDATION REPORT

Sometimes in writing an annual report we are tempted to make a very large mistake to discover that people really read the report. The only mistake in this report may be one of over-enthusiasm for the fine way the Baptists of North Carolina are beginning to understand and use the Foundation. I wish it were possible for me to share with you all of the responses we have been privileged to participate in during the past year. This has been a good year in Baptist Foundation work and we are eternally grateful to each one of you for having a part in promoting the work of the Foundation.

We are indeed grateful to the pastors of this state for the wonderful cooperation they have accorded the Baptist Foundation. They have encouraged us greatly by furnishing the names of individuals who may be interested in the Foundation; they have invited us to their church to speak on various occasions; they have been most generous with their time in discussing with us the problems, programs, and purposes of the Foundation whenever we had the opportunity to discuss it with them. Many of our lay friends, lawyers, bankers, trust officers, and other interested individuals have given of their time and have helped us materially in promoting our work.

Assets of the Foundation have increased during the past year and at the last accounting, around December, the total assets of the Foundation had reached approximately one million dollars including our real estate. Right many of our people are setting up memorial funds, trust agreements, annuity agreements, and are using other services provided by the Baptist Foundation. We believe we are organized in such a manner that we can answer most any request an individual makes of us, either through the church or as an individual, if he will make his wishes known to us. By this I mean that we can visit him individually and explain the work of the Foundation and how he may participate in it, or we can go to any group meeting that would provide an opportunity to discuss will making and uses of the Foundation. We covet your continued prayers for this work and hope that in the future you will make use of the facilities of the North Carolina Baptist Foundation, Inc.

John Rymer

Miss Audrey Saunders presented the Woman's Missionary Union Report and discussed it briefly. Its adoption followed.

WOMAN'S MISSIONARY UNION REPORT

Woman's Missionary Union has been challenged anew by the 1966 watchword found in Revelation 14:6B, "Having the everlasting gospel to preach unto them that dwell on the earth, and to every nation, and kindred, and tongue, and people."

We have the message to proclaim - and the world needs the message of a Saviour's love. Every ten seconds twenty-five persons are born; out of these twenty-five, thirteen never hear even the name of Jesus and of the twelve who hear only TWO are born again into the kingdom of God at the rate of our evangelistic efforts today.

In our hymn for the year we have sung, "O for a thousand tongues to sing my dear Redeemer's praise" - and we must search our hearts and answer honestly, "How have I used my one tongue to give His message day by day?" As we sing His praises and serve Him with grateful hearts through our missionary organizations may our prayer continually be:

"My gracious Master and My God,
Assist me to proclaim
To spread through all the earth abroad
The honors of Thy name."

At the annual meeting of the Carolina W.M.U. in April we reported 37 missionary societies, 18 Y.W.A.s, 33 G.A.s and 28 Sunbeam Bands.

Our assigned task of missionary education among the women and young people in our churches continues to challenge us to give our best. The "Go Ye" is a Kingly command - our King has commissioned us to "Go tell" - don't put a price on your service. "We must never make an apology for being in dead earnest about World Missions . . We must not retreat until Jesus Christ tells us He made a mistake in coming into the world to redeem men."

1967 ANNUAL MEETING AT VALLEY HILL CHURCH

Rev. Alex Booth, dean of Fruitland Baptist Bible Institute, shared ome insights as to the ministry of this institution in preparing men, who have had limited educational opportunity, for more effective ervice to our Lord.

At this time the hymn "Jesus Calls Us" was sung.

Rev. R. P. Hamby moved the adoption of the Home Missions Report, ffered a few comments, then the motion was approved.

HOME MISSIONS REPORT

The Bible is a missionary book. Christian missions are rooted n the Christian concept of God. The New Testament is the product f early Christian Missions. The origin of missions is ultimately b be found in the heart of God. Missions is the proclamation of he Good News of the Kingdom of God, where it is NEWS. The istorical origin of missions is found in the work, the life and the ommand of Jesus Christ projected in the life of His followers. The ible is our basic text-book in missions. The book of "Acts" con- titutes the first chapter in the story of Christian missions, their auguration and early progress. Our missionary Gospel is NIVERSAL. God has never deserted any class or race, nor abrogated is claim to them, nor surrendered His control over them.

With the organization of the Southern Baptist Convention, in Augusta, eorgia, in 1845, came also the birth of our Home Mission Board. his convention controlled board has now given 121 years of valuable ervice to mankind in our midst. Our board continues to serve in 0 States, in Cuba, Puerto Rica and Panama.

As of May, 1966, our board had in its employ 2,520 Missionaries, ith an increase of 148 during the past year. The total financial ssets of our board, as of December 31, 1965, stood at $40,515,904 ncluding CURRENT, PROPERTY, PROGRAM and INVESTMENTS.

The working program of our Home Mission Board is divided as llows: (I) Evangelism, (II) Church Extension, (III) Associational dministrative Services, (IV) Pioneer Missions, (V) Urban-Rural lissions, (VI) Metropolitian Missions, (VII) Mission Centers, (VIII) ewish Work, (IX) Language Missions, (X) National Baptist (Negro), XI) Special Mission Ministries, (XII) The Chaplaincy, Military and ospital, (XIII) Church Loans, (XIV) Survey and Special Studies,

(XV) Supporting Services which includes: appointments of colleg graduates for 2 years - called US-2) and Education and Promotion

The work of home missions through the local church is still stupendous task. There are more than 90 million Adults not enrolle in Sunday School, and the number is growing by a MILLION a yea There are more than 85 million LOST people in the U.S.A. abov 10 years of age. Their greatest need is CHRIST, as Saviour and Lord The harvest is great and the laborers are few. Pray ye, therefore for more laborers to be thrust into His vineyard.

Yours for the salvation of our nation
Robert P. Hamby

The Foreign Missions Report was adopted.

FOREIGN MISSIONS REPORT

Mrs. Cora Bell Gillespie closed her written report of the Foreig Mission Board to the Association in 1965 with these words from Dr Baker J. Cauthen, "We are confident that God is leading Souther Baptists into a larger world mission involvement than we have eve known." One year later, I could repeat his words, for in the ligh of what God has led us to accomplish, it is being fulfilled. Ther were 150 missionaries appointed in 1964 (figures taken from 196 annual report), brining the total at the close of 1964 to 1,901. Thes were assigned to 57 countries. During that year missionaries wer named to 4 new countries. In Yemen a medical mission work wa opened where no previous mission work had been done and where ther is only one doctor for every 156,000 persons.

The political, economic and military upheavels and tensions of ou present time have challenged the courage, widom, and spiritua power in meeting new opportunities in Africa, Vietnam, Malaysia and Indonesia. Our missionaries in these areas have demonstrate courage, fiath and confidence in the face of distrubances.

Evangelistic efforts have been particularly fruitful in many countries Major attention was drawn to the nation-wide evangelistic crusade i Brazil, March 1965. Radio, Television have both contributed to rapidl growing developments of Christian witness in many lands.

Self supporting churches are increasing as are mission point and chapels. The extended ministries such as hospitals, dispensaries children's homes, etc. provided help for increased numbers. Goo Will Centers reported 3,560 adults and 1,040 enrolled in the Children' work. Publishing Centers reported rapid development in publicatio and sales of books and periodicals.

1965 marked the beginning of the Journeyman's Program an this was joined by the new program of advance calling for 5,00 missionaries.

Even with those growing figures and financial growth realized, it is impossible to meet all of the urgent needs. Missions advance i projected with the belief that God will call workers into the harvest

nd that Southern Baptists will undergird them with their prayers, noney and dedicated volunteers to go. In the words of one mis-ionary we summarize: "Missionaries are frail, weak, and limited, ut God is not, and we honestly and awesomely give him the glory for ll that has been done here this year."

B. D. Graham presented the State Missions Report, moved its doption and voiced some convictions of the need of a ministry to nigrants by North Carolina Baptists, also the opportunity of Carolina ssociation baptists to work with migrants. The report was adopted.

STATE MISSIONS REPORT

With the ever-increasing secularization of our country, we are ade to realize how much more emphasis we must give to the vangelization of our homeland through the ministry of home missions, ithout neglecting our witness in the foreign fields.

State Missions is responsible to God the the gospel witness in orth Carolina, and it is doing an admirable work through its various ivisions. The Division of Missions carries on fifteen different ser-ices through its programs and also supports mission work in orth Dakota.

Of particular interest to Carolina Association is the great attention ven to Fruitland Institute and Assembly. The General Board is ecommending that 20% of the State Missions Offering in 1967 be ven to help in the construction of the new administration building; nd then the W. M. U. has agreed that all funds beyond the goal of $30,000 r the Heck-Jones Memorial Fund be used for remodeling the camp cilities for the summer assembly use.

Another item of interest to our general area is the enlargement of e Child Care program at Cherokee with the Home Mission Board ntributing $20,000 to help meet the cost.

Along with the other ministries throughout the state, Carolina ssociation continues to feel the direct support of State Missions ith its financial supplement to the support of our Associational issionary, pastoral aid, and its church lot and loan funds which help urches in their building programs.

When we realize the tremendous impact of the ministry of State issions each church should give full support to it through the Co-erative Program and the special State Mission offering which is ken each year in September.

B. D. Graham

The moderator called attention to two items of business for tomor-w: changing the constitution regarding the lay member of the Execu-ve Committee and the discontinuing of the Fifth Sunday meetings. Miss Audrey Saunders was asked to present the speaker, Miss

Pauline White, a retired foreign missionary. Her message brough the session to a close.

MORNING SESSION, AUGUST 9

SALUDA FIRST

The Morning Session opened with the singing of "Blesse Assurance". Then Rev. Ray Justice read a portion of Scripture an led in prayer.

The Annuity Board report was adopted and the Association listene with interest as Rev. Guy Cain presented the various programs o the Annuity Board. He shared cases showing the value of the Insuranc program when a minister experiences a seemingly untimely death.

ANNUITY BOARD, SOUTHERN BAPTIST CONVENTION

The Annuity Board of the Southern Baptist Convention is set up t pay ministers and church employees an annuity when they reach the age of retirement. The plan is simple. The church votes t participate, sending 10% of the minister's salary each month to the Dallas office. The church is encouraged to pay the entire amount. The minister, after retirement, would receive one half of his salary as annuity.

There are other plans which are offered to the ministers an churches if they make inquiry. For instance, there is a Health Benefit Plan, which offers an all-inclusive program of hospital, surgical and major medical benefits. Enrollment will be open again on November 30, 1966.

At present only 48% of the churches in North Carolina are participating in plans for the retirement of their pastors. In the Carolina Association there are 29 churches participating in one or more of the Annuity plans.

It is felt that just about the best security for the least possible cost is available through the Annuity Board of the Southern Baptist Convention. If any are interested in making inquiry about any of this work, contact Guy Cain, 301 Hillsboro St., Raleigh, N. C. 27603.

After the adoption of the Homes for Aging report, Rev. William Poole sought to voice the appreciation of the residents to North Carolina Baptist for providing such facilities for their care. He also reminded us that others desire to be a part of the group for which there is no room.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

During the past year the four Baptist Homes for the Aging have ministered to 172 older men and women. All of these have been

ped by the love gifts of North Carolina Baptists, through the Special y offering, received on the third Sunday of February each year, through the designated share in the Cooperative Program. The ge majority, at least 85%, have benefitted directly from these gifts l have actually have sustained at the point of their financial need. The Special Day offering for 1966 is at an all time high and might sibly reach $100,000.00 for the first time. However, even though re has been a 5% increase in the offering from last year, costs e advanced by 7% so the challenge still exists.

Perhaps the outstanding paradox in all of the Homes is that the st resident to receive a Medicare card, during this first year of operation of Medicare, is the oldest resident, who never takes medication at all and who does not need to see a doctor, or go the hospital. She is Aunt Fannie Drumwright, who celebrated her th birthday in July.

t is anticipated that construction will begin on our fifth Home at nceyville during the coming year, and when it is completed, a nistry can be carried on in all the Homes to 200 older men and men and relieve, in measure, the tremendous pressure of a long ting list of 170 people.

his ministry of love is dependent upon your concern, love, prayers increased financial support. Please don't disappoint the aging ple who are looking to you urgently for help.

Mrs. Mabel Holmes

he adoption of the Baptist Hospital report prepared the way for W. K. McGee to share with us the varied ministry of our teaching spital. North Carolina Baptists are able to touch an untold number lives through the service rendered by the graduates of the various ools of the Hospital.

BAPTIST HOSPITAL REPORT

hen North Carolina Baptists opened their hospital in 1923, y designated Mother's Day as the date each year on which they ld contribute funds to finance the care of the needy sick. Thus, ough the years, they have given each Mother's Day for this purpose. ir gifts are a direct contribution to the support of those who are k and in need. Because of the careful handling and because vice patients are not charged physicans' fees, the offering is multi- d several times in usefulness.

his is the way the Mother's Day Offering is conserved and made go as far as possible in helping those for whom it is given: The ent pays what he can, if anything at all, toward his bill; if he has hospitalization insurance, the proceeds are applied toward if he is entitled to any amount from welfare funds, this, too, applied toward his bill. When all of this has been done, the her's Day Offering is used to pay the difference between the total

of those sums and the amount of the hospital bill. The Mother's Da Fund, therefore, is used only when all other resources have been ex hausted. It is the only means the hospital has of paying the cos of treatment and care of the thousands of service patients who cour on its help in their time of need. In spite of the generosity of con tributors, it is never large enough to cover the cost.

While the hospital receives a share of the Co-operative Prograr funds, it must use this money to help pay for buildings, purchas equipment, and support the Department of Pastoral Care. The need sick must depend upon the Mother's Day Fund. It is the only fund th hospital has for this purpose.

In the ten year period, 1955 through 1964, the cost of free patien care has increased 173% and the number of days of free care ha increased 49%. However, in this same ten year period the Mother' Day Offering has increased only 35%. This means that in 1955 with a Mother's Day Offering of $193,000, we were paying 42% of th cost of free service; and in 1964, with a Mother's Day Offering o $260,000, we were paying only 21% of the cost of free service. Thi sad state of affairs should prod us into a renewed effort to increas our Mother's Day Offering in the future years.

In 1965 the churches of the Carolina Association gave $722.4 less, in the Mother's Day Offering, than in 1964. The report fo 1966 is not complete. Will it be more than in 1965? The year i not ended. There is yet time to receive and send in an offerin for the Mother's Day Fund.

B. D. Graham presented the Nominating Committee's report which was accepted by the Association. See Page 5.

The moderator read the report of the Committee on Committees. It was approved. See Page 5.

CONSTITUTION COMMITTEE

Charles Magnet of the Constitution Committee presented the recommendation of a change in the constitution regarding the lay member of the Executive Committee implemented by deleting from Article VIII the words "and certified to the Association in its annual report" and by inserting the words "This lay member is to begin serving when elected by the church."

R.P. Hamby presented the report of the Committee on Time, Place, and Preacher which was adopted. See lower half of page 1.

The Association elected the following officers: Moderator, John F. Rymer; Vice-Moderator, George A. Roberts; Clerk, Roy D. Keller and Treasurer, M. K. Sinclair.

Mrs. Harris Pryor sang a solo.

After the adoption of the Children's Homes report, the moderator presented W. C. Reed who brought a challenging message on this very vital phase of our ministry.

CHILDREN'S HOMES

Several year's work of the Holy Spirit came to fruition eighty one years ago as North Carolina Baptist launched a Christian ministry of child care. Several thousand sons and daughters of the Children's Homes are scattered throughout the world in all walks of life making a significant contribution to the uplift of mankind as a result of their early Christian training made possible by North Carolina Baptists and other friends.

An already strong program of group care is being strengthened by Mills Home, Kennedy Home and Odum Home. Greer Home at Chapel Hill came into being to minister to emotionally disturbed children. Results of this work are encouraging.

Prospects are encouraging for a home for children in the western part of the state more adequately to serve the needs of our people who live west of the Blue Ridge Mountains.

We have a large number of good Christian homes for the care of foster children. More are needed in all sections of the state. Foster homes serve children of all ages and are of particular advantage for some who have special needs. Foster home parents may be of varying ages and circumstances in life. Couples with or without children of their own who have an abundance of love find this to be a challenging and rewarding opportunity of Christian service.

Financial support determines how many boys and girls can benefit from our child care program. It is gratifying to know that support through the Cooperative Program continues to increase. The Thanksgiving Offering in 1965 was in excess of $315,000.00 and thus the largest ever. Special gifts and designations such as the once-a-month offering continues to provide a substantial part of financial support.

Roger Williams, former pastor of Mills Home Church, is heading up a development program seeking to increase financial support.

Prayerfully submitted,
Roy D. Keller

C. F. Jervis, in his unique way, presented the Historian's Report.

1965-66 REPORT OF HISTORIAN

Baptists are great in making history, but better still in keeping it to themselves. Not a single church has reported to the historian one single accomplishment of the year. To be charitable, we lay this to humility.

However, there have been learned from other sources a few accomplishments and other items of interest among some of the churches and from the Association as a whole.

We note first the resignation of Rev. Clay Barnes as associational missionary of the Carolina and Transylvania Associations after a tenure of eleven and one-half years. This was accepted with regret. On April 1, the two associations jointly gave a testimonial dinner honoring Mr. and Mrs. Barnes, at which time Dr. E. L. Spivey of the N. C. Baptist State Convention was the chief speaker.

Early in the year there was planned an interdenominational area-wide Crusade for Christ during August 14 to 28 under the leadership of Dr. E. J. Daniels and his crusade team of Orlando, Florida.

We note with regret the passing of Rev. W. F. Sinclair, Pastor of the Calvary Baptist Church. He had served faithfully many of the churches of the association over a long period of years. He was succeeded at Calvary by the Rev. Buddy Mullinax. We mention also the passing of a very lovely character in the person of Mrs. Abbie D. Bonsteel, a former teacher at Fruitland and also a writer for Baptist Publications.

Since the beginning of the associational year, new pastors coming into the association are Rev. Bobby Seagroves at Shaws Creek, Rev. Ray Justice at Mills River, and Rev. C. H. Greene at Valley Hill. Transfers within the association are Rev. R. P. Hamby from Barker Heights to Fletcher, Rev. Silas Bradley from Dana to Barker Heights, and Rev. Carl Mintz from Jones Gap to Beulah. Resignations were those of Rev. James Bryant at Bat Cave, Rev. W. C. Huntley at Balfour, and Rev. E. R. Boyd at Main Street, the last of whom will be succeeded in September by Rev. Richard Stephens.

Of association-wide interest was the Central Training School of February 28 to March 4 which was pronounced a success despite inclement weather. Also of interest is the fact that the association office has been moved to the Huggins building on Main Street.

The First Baptist Church of East Flat Rock has purchased a tract of fourteen acres with a view to relocating at some point in the future. The Green River Church has constructed three additional Sunday School rooms. The First Baptist Church of Hendersonville has had its records of 121 years microfilmed by the Historical Commission of Wake Forest College (free of charge), has liquidated the $200,000 sanctuary debt made ten years ago, and has now contracted for a $60,000 organ which is being installed. The Oak Forest Church deserves special commendation in the fact that it was presented the Church Achievement Award at the Baptist State Convention.

A comparison of the minutes of 1964 and of 1965 reveals a 7% increase in membership, a 4% increase in baptisms, a 7% increase in S.S. enrollment, a 1% increase in B.T.U. enrollment, a 4% increase in total receipts, and a 6% increase in mission receipts. However, these gains are largely offset by the fact that thirteen fewer churches reported in 1964.

Churches, do something, report it, and thereby inspire others.

Respectfully submitted,
C. F. Jervis, Historian

The moderator gave a report of the work of the Missions Committee in looking for a new missionary.

The Sunday School Report was presented by Bobby Seagroves who spent some time discussing the Life and Work Curriculum. The report was adopted.

SUNDAY SCHOOL REPORT

The 1965-66 associational year began with Mr. M. J. Banning as Sunday School Superintendent. In January of 1966 I was elected as your new associational Sunday School superintendent filling the vacancy created by the resignation of Mr. Banning.

At the end of 1965 there were 10,315 enrolled in the Sunday Schools of our churches. This was an increase of 1,081 over the 1964 enrollment.

In January of 1966 we had five associational Vacation Bible School

workers to attend the State Vacation Bible School Clinic at Wingate College. On April 18th we conducted one Vacation Bible School Clinic for Bible School workers in our association. We had a day session and a night session. The last week in February 1966 we had a Central Training School in the Hendersonville First Baptist Church. Under the guidance of Rev. Fritz Hemphill, chairman of the Committee on Training, we had a very good school. We had 315 enrolled, an average attendance of 261 with 24 of our Baptist Churches participating. There were 209 awards given.

Beginning in October of this year something new is being introduced in our Baptist Churches in our Convention. It is the Life and Work Curriculum. It is a curriculum that unifies the studies of Sunday School, Training Union, Church Music, Woman's Missionary Union, and Brotherhood. This curriculum, written by Southern Baptists for Southern Baptists, relates individual and church actions more directly and meaningfully to the major tasks of a church. The Life and Work Curriculum is Bible-based, church-oriented, and action-inducing.

As we enter our new associational year 1966-67 together we look forward to greater things for the Carolina Association as we work and cooperate together under the leadership of our Lord.

Respectfully submitted,
Bobby Seagroves

George Johnson, host pastor, was recognized. He first spoke further about the Crusade and then gave instructions regarding lunch.

The congregation sang a hymn and Mrs. Harris Pryor presented special music.

Using Jeremiah 37:1-17 as Scriptural passage, Rev. Silas Bradley preached the sermon which was helpful and challenging.

The moderator offered the prayer of benediction and thanksgiving for the meal.

AFTERNOON SESSION

The afternoon session opened with the singing of a hymn followed by Scripture reading and prayer by Bobby Seagroves.

The moderator brought a recommendation from the Executive Committee concerning Article IV, Section 1 of the constitution. The recommendation was to discontinue the Fifth Sunday meetings of the Association and to delete from Article IV, Section 1 all words pertaining to the Fifth Sunday Meetings. The recommendation was approved by the association.

Fritz Hemphill moved that $100.00 be placed in the budget to pay the host church of the day session for the lunch which said host church will serve. (This does away with the carrying of lunch by the messengers attending the Association.) After discussion the motion carried.

The Christian Education report was adopted. There followed a message by Rev. Lewis J. Thurman from Gardner Webb College.

CHRISTIAN HIGHER EDUCATION

In the past few years and especially the past few months the entire picture of Christian Higher Education has come under increasingly closer examination from within its own ranks and without. A tally of total operating expenses of our seven Baptist colleges in North Carolina for 1965 reveals that we have moved beyond the twenty-million-dollar mark. Including the Bowman Gray School of Medicine, which is a part of Wake Forest College, the total operating expenses for the seven colleges for last year was $20,311,312.97. This is both a tribute and a challenge to the Southern Baptists of our state. This mammoth educational operation is not without its problems however. The very size of this undertaking catapults our educational program into the arena of competition which demands quality of performance, adequate facilities, constant evaluation of purpose and togetherness of action.

Taking its cue from these current demands, the Education Commission of the Southern Baptist Convention has just completed the first of two national conferences designed to study the role of Southern Baptists in Christian Higher Education. Known as BEST, Baptist Education Study Task, the project endeavors to bring together the best thinking of educators and other leaders throughout the Southern Convention. Areas of study are these:

Biblical Basis for Christian Education
History of Baptist Education
Academic Scope of Christian Education
Religious Scope of Christian Education
The Christian College Teacher
Financing Christian Education
College-Denominational Relationships
Academic Freedom and Responsibility
Preface to a Philosophy of Christian Education
- Faith and Learning

Next June a second national conference will be held. It is quite possible that fresh insight and new direction for Christian Higher Education will emerge. One thing is certain. The forces, pressures and opportunities affecting our North Carolina Baptist colleges are working on a national scale. Nothing less than a convention-wide cooperative effort will be enough.

Upon the approval of the Christian Literature report, Roger Branch of the Biblical Recorder Staff brought a helpful message.

BAPTIST LITERATURE REPORT

In this vast intellectual age in which man finds himself groping for spiritual truth, literature plays a most important role in his

spiritual findings. There is a vast flood today of literature in our society both secular and religious, both good and bad. With this vast flood of literature, the average person is trying to decide what to read. We as Southern Baptists have had much of this question answered for us through our Church Literature Department of our Convention.

Baptist Literature, in the last few years, has been expanded and much improved. One of the best and most beneficial has been the establishing of the Broadman Readers Plan. The purpose for this Broadman Readers Plan is to put good, clean, Christian literature in the homes of Baptists. This fine department is under the leadership of William O. Fox. Also new in Southern Baptists' literature is the Life and Work Curriculum. This October, Baptists will have the opportunity of using a new type of literature in our Sunday School, Training Union, W.M.U., Brotherhood, and Music ministry. The Life and Work Curriculum is a completely correlated plan of study for the total educational program of Southern Baptist Churches.

Our Baptist literature is designed to keep us informed as well as to educate and to interpret God's Word. We have the Sunday School Builder to keep us informed in the latest methods of Sunday School work along with the Training Union Magazine to keep us informed in the work of Training Union. For our church recreation committees, we have a fine piece of literature called the Church Recreation. This is an up-to-date magazine on recreation resources. Then there is the Church Library Magazine, full of help for our church librarians. For our pastors and church officers is the helpful publication, the Church Administration Magazine.

We have listed briefly some of our baptist literature for various organizations and committees along with the Broadman Readers Plan for families. There is another piece of Baptist literature that should not be left out and that is our state papers. Our own Biblical Recorder has and is keeping the Baptists of North Carolina informed of Baptist activities in our own state, as well as on a Convention level. Our state papers also offer inspiritional and devotional reading for the Baptists of our Convention. Let us continue to pray for God's blessings to be upon us in the form of Christian literature.

The report on Christian Temperance and Morals was presented by C. H. Greene which was adopted.

TEMPERANCE AND MORALS

There is no issue in America today of more importance than that of Temperance and Public Morals. Dr. Albert Schweitser has said "Drink is commercially our greatest wastrel, socially our greatest criminal, and morally and religiously our greatest enemy." This is true today, no indictment against this number one enemy can be made too strong.

It is estimated that 69,000,000 American adults drink alcoholic beverages in some form. Of these, 5,490,000 are alcoholics and another 4,000,000 are problem drinkers. Alcohol is a potent factor in the destruction of many homes and its victims fill our prisons. Alcohol is the chief contributor to the crime rate in our land. There are some specific areas in which God's people must exert unified Christian effort in our relation to temperance and morals.

A. Demonstrate the purity of life and thought which Jesus taught.
B. Take our stand by influence and vote to stamp out strong drink in any and all forms.
C. The pulpit must declare the sinfulness of, and the remedy for strong drink.
D. Cooperate with the Christian Action League which seeks a. to unite all who believe in total abstinence from alcohol beverages to a cooperative effort to agitate, legislate, and educate against social evil. b. To awaken public interest in opposing gambling, narcotic addiction, salacious literature, and acts of violence and vandalism. c. To promote programs for the rehabilition of the victims of alcoholic beverages and other narcotics.

The support of the League comes from donations, churches and individuals who are concerned.

Sam Padgett presented the Training Union report which was adopted.

TRAINING UNION REPORT

This has been a banner year for Training Union in our Association. Mills River, Horse Shoe, Mt. Moriah, Fruitland, Shaws Creek, Saluda First, Crab Creek and First Baptist of Hendersonville have shown great improvement. We have picked up several extra Training Courses over the past year and our report to Raleigh in this respect did look good. "M" Night was well attended with nearly 500 at Hendersonville First. The speaker, Prof. Harvey Lance brought us a fine message. Crab Creek and Mills River won the attendance banner with Crab Creek winning the banner permanently.

Our Association Training School in February and March was one of our best and a great deal of thanks should go to Rev. Fritz Hemphill for his leadership. One of the most outstanding features this year was our Youth Night, May 5th. We had 102 in attendance and Rev. Eddie Young of Canton brought the message.

We then had election for the 1966-67 Youth Officers are as follows: Brenda Hathcock - Fruitland, President. Anne Goodson - Hendersonville First, Vice President.

Youth Committee for Association Activities: Kenny Pace, Mud Creek; Sandy Webster, Main Street; Shirley Hoots, Refuge; Peggy Pace, Saluda 1st.

Samuel F. Padgett, Director

VACATION BIBLE SCHOOL REPORT

The year 1965-66 has been a good year in which much progress has been made in Vacation Bible School.

The association had five leaders to go to the State Vacation Bible School Clinic at Wingate College to train in the best methods of Vacation Bible School work so that they could conduct a clinic in the association.

The Vacation Bible School Clinic was held at Shaw's Creek Baptist Church and was well attended. There were 29 churches represented with a grand total attendance of 159, including 13 pastors.

We are so thankful for this fine work which has been done in our churches this summer, but we see a great need for more workers. We have had several one week schools and also some night schools. In our Bible School work, as in other areas of our church work, we lift up our eyes and see that the fields are white unto harvest, and the laborers are few.

We hope that all of our churches will elect the V.B.S. principal along with the other general officers of the church at election time and give Vacation Bible School a permanent place in the church program. Today more than ever we should realize the great need for religious training and Christian guidance for our children. Let us pray that our work may grow and reach more of our boys and girls for Christ.

Respectfully submitted,
Mrs. Frank Carter

WE DEDICATE OUR 1966-1967 MINUTES TO

MR. D. G. WILKIE

D. G. Wilkie was a native and lifelong resident of Henderson County. He was an overseas veteran of World War I. After his discharge from the Army in 1919, he returned to Henderson County where he became manager of a store at Tuxedo.

He was a member of Tuxedo Church and served as Sunday School Superintendent, Music Director, Deacon, and Sunday School Teacher.

In the late 1930's he became Chairman of County Commissioners and held this office for about 12 years.

In 1944, he moved to East Flat Rock where he was Music Director and active in all phases of Church work.

He served one year as moderator of the Carolina Association and many years was song director for the association.

In 1957, he went to Mud Creek Church where he became Music Director. He also served as Chairman of Deacons and Chairman of the Finance Committee during the time of the construction of the new church building. He organized a Men's Sunday School Class which is known as the Wilkie Class. He was also a member of the East District School Board.

REPORTS

RESOLUTIONS COMMITTEE

Be it resolved that we at the Carolina Association voice our appreciation for the hospitality extended to us by the Refuge Church and its pastor, Rev. George Roberts for the day meeting of the 90th session, 1967.

Also our thanks to the ladies who took part in preparing and serving the delicious meal.

We wish to express our gratitude to the Naples Church, who was our host for the Monday night session.

Commendations are in order to the program committee for the splendid program they have brought us; for the guest speakers, their informative and inspiring messages; the worshipful special music by a trio from Etowah Baptist Church; Brother Carter for his timely message, and anticipating Brother Zeb Bakers' message this afternoon.

We are also appreciative of the work of your committees, moderator, vice-moderator, and clerk, and would like to congratulate them for a job well done.

Respectfully submitted, Rev. Ralph Banning, Chairman

RESCUE MISSION RESOLUTION

A motion was made concerning the Rescue Mission by Rev. Mack Goss in the form of a resolution which follows:

1. Resolved that this annual session of the Carolina Association, having voted to take over the operation of the "Haven of Rest" Rescue Mission, do authorize that the Mission Committee and Trustees of the association duly constitute the Board of Directors of the Rescue Mission.

2. That we empower the directors to set in motion the machinery that will make the transfer feasible, including signing legal documents, borrowing money, change of name, etc.

3. That the directors affect the necessary organization, employing the personnel, that will carry out the program as designed and supervised by the directors.

CHRISTIAN LITERATURE

Our scientific age has led mankind into a period when man has become accustomed to looking for positive and material answers to his quests. This has made it difficult for Christians to witness and lead the lost to Christ.

The constant flood of undesirable literature that reaches the hands and minds of our people is overwhelming.

Our Southern Baptists are combating this problem through the media of Christian Literature. It is well to take a look at some of these publications.

An attempt is made through the Life and Work Curriculum, which is a completely correlated plan of study for total educational program of the Southern Baptists. This material was made available last October. It is an entirely new type of literature which serves the Sunday School, Training Union, W.M.U., Brotherhood and the Music Ministry.

Baptists have designed literature to inform, to educate, and to interpret God's Word. It carries the latest methods of teaching and learning through the media of the Sunday School Builder, the Training Union Magazine, Church Recreation, and the Library Magazine.

The Church Administration Magazine is designed to be helpful to our pastors and church officers.

Baptist publications also offer inspirational and devotional readings for use in various ways. It is impossible to describe all of the publications and evaluate their effectiveness; however, we can be justly proud of what we are doing.

Let us pray that God will bless our efforts and guide us into greater areas of service through our Christian Literature.

TRAINING UNION

God has given Southern Baptists a great mission to accomplish -- that of establishing and growing great New Testament churches. The accomplishment of this mission requires trained church members and leaders. The Carolina Associational Training Union organization is seeking to fulfill this great mission of our Lord.

This past year has been a good year in Training Union work in our Association. Your associational Training Union Director attended the State Briefing Meeting for Associational Officers on August 26, 1966, in High Point. On December 5, 1966, we held our "M" Night Service in the Hendersonville First Baptist Church with over 350 people in attendance with 26 of our churches represented, 21 pastors present and 17 Training Union Directors present.

On March 18, 1967, our association observed Baptist Youth Night in the Mud Creek Baptist Church. We had 160 young people and adults present. The Rev. Luther Osment of the Reed Memorial Baptist Church of Asheville brought the evening message. On Sunday Afternoon, April 2, 1967, we held our Associational Training Union Tournament in the Etowah Baptist Church. We had 22 Juniors in our Memory Work Tournament, one Intermediate in the Sword Drill Tournament, one in the Young People's Speakers' Tournament, and one in the Adult Scripture Reading Tournament. Our Adult Scripture representative, Mrs. Ella Lawrence Seymour of the Fruitland Baptist Church, advanced as first place winner in the Regional Tournament to the State Tournament at Fruitland.

On April 13, 1967, our association was host to the Regional (Region IX) Tournament. We had over 325 in attendance in the Regional Meeting held in Hendersonville First Baptist Church.

The Youth Officers for our association for 1967-68 are as follows: Janice Nelson, President; Cleo Pace, Vice-President; Judy Jackson, Secretary; Kevin Tvaronas, and Kenneth Hill, Youth Committee for Associational Youth Activities.

Your associational director would like to urge all our churches to study seriously and utilize the three phases of Training Union work which are as follows: 1. New Member Orientation; 2. Church Member Training and 3. Church Leader Training.

FOREIGN MISSIONS

At the close of 1966 there were 2,208 missionaries on Foreign fields. The missionaries as of May 1, 1967, are working in 65 countries. Other dedicated personnel are working with them in various ways to present the gospel to millions: Journeymen, agricultural advisors, teachers, missionary helpers. The number of workers seems large but we can ask the question that Andrew, an apostle of Jesus asked, "What are they among so many?"

During the years of Foreign Mission endeavor there has been steady growth financially and increased personnel. In 1966 the increased gifts to Foreign Missions were more than two million. The Lottie Moon Christmas Offering reached an all time high of $13,760,000.

The leading of people to new life in Christ Jesus is the ultimate purpose of missionary endeavor.

The efforts of the Foreign Mission Board are very rewarding but many churches of our association are losing a great blessing by the non-support of the Cooperative Program and Lottie Moon Christmas Offering. Many of our churches do not make any contribution to either of these worthy causes.

With the increase of personnel and gifts, there are still many urgent needs that are waiting our support. There are needs in every field of which Southern Baptists are a part. We should pray that our young people may see the needs and dedicate themselves to the most worthy of all causes -- Missionary Service.

One important issue of Southern Baptists that needs concentrated and dedicated effort is integration. Any mistake made in this particular study could prove disastrous to missionary efforts in many mission fields. One appointee, Sue Thompson, is the first Negro appointed by the Foreign Mission Board in 84 years.

CHRISTIAN ACTION

The Christian Action Committee of the Carolina Association regretfully reports that crime of every description, including suicide, has taken another step upward during the 1966-67 church year. During the first six months of 1967, Henderson County has shown a marked increase for violations of every description, and the total number of arrests has already exceeded 2,200.

The sale and use of alcoholic beverages has continued to grow and an increasing number of our youth and adults are known to be using it in it's several different forms. Thirteen year old children have been arrested this year as public drunks! Almost without exception, divorce cases point to alcohol as the major cause of trouble. Four out of five traffic fatilities involve one or more drinking drivers. Drinking or drunkeness is involved in over 95% of all cases tried in our courts.

From all reports, Association-wide, Church attendance is decreasing. Sunday School enrollment and attendance is also falling off. Training Union has also experienced a dip in active membership. Tithers have fallen off, resulting in less financial receipts. Special offerings have felt the pinch of depressing-type giving. New church-building has almost become a thing of the past. Churches of several denominations in Henderson County have actually closed their doors due to lack of interest.

However grave and disturbing the preceding problems may be..... whatever tragic consequences they may bring, they are not singularly or collectively our GREATEST problem. In closing our report, your Christian Action Committee submits that the one GREAT problem facing our people is our people! We believe that when the people in the pews can look at one another with Sacred love; when our preachers preach the unadulterated Word of God; when our teachers teach with a genuine and heartfelt compassion for Souls; when our deacons really minister to the needs of our drinking children and faultering marriages; when our Training Unions get busy training our people concerning the unsearchable riches of God's Kingdom; then, and only then, will we see a reversal in crime statistics.

CHRISTIAN EDUCATION

The Christian Education movement among Baptists in Henderson County dates backward for more than a century. In the Salem Association (made up of churches from Henderson and Buncombe Counties) at the session of 1858, the subject of establishing a female college at Hendersonville was introduced, and $900.00 subscribed toward the enterprise. The same year the Western Baptist Convention resolved to establish a female college and locate it in Hendersonville. Trustees were employed who appointed an agent. A building of stone was erected and covered with tin. About ten thousand dollars were expended and the work was progessing until it was halted by the war of the 1860's.

In the year 1874, the property passed into the hands of a joint stock company, a large majority of whom were Baptists. During the summer of 1877, Dr. John Mitchell was elected President of the Board of Directors and Rev. Daniel Buryman Nelson was appointed as financial agent. Work on the building was resumed in the summer of 1878. In the year 1892 the college finally closed its doors.

Soon after Judson College was closed another movement was begun in 1898, under the leadership of the beloved Rev. Amos Isaac Justice, and a high school by the name of Fruitland Baptist Institute was born, with Brother Justice as the first principal, who during the whole of his long life was an ardent supporter of Christian Education. This school closed in 1936.

In the year 1945, the Baptist State Covention of North Carolina purchased the buildings and grounds from the Home Mission Board, and in 1946 Fruitland Baptist Bible Institute was projected. Today this fine school has some 600 graduates, with a faculty and staff of 14 members.

Mr. R. G. Anders, now above 85 years of age, is the first and oldest living graduate of the old Fruitland Bible Institute, as is also Mrs. Clara Pittillo Pace, of the 4 students who graduated in 1905. Both of them are living near Fruitland.

BAPTIST CHILDREN'S HOMES

More than eighty-one years ago North Carolina Baptists established a ministry of child care for homeless and dependent children. Through the years, Christian people have found joy and blessing in giving of their time and interest, as well as financial support to the ministry through the Baptist programs. During this time they have afforded guidance and care during the formative years to more than 9,000 children.

In addition to the Mills Home at Thomasville, which is serving about three hundred children, other campuses are Kennedy Home at Kingston, Odum Home at Pembroke, and Greer Home at Chapel Hill. The Greer Home was opened in 1963 to provide specialized care for children with emotional problems. This specialized care was substantially assisted by a $25,000 Duke Endowment.

During the past year, 1,306 children have received care and related services. Receiving continuing services were 918 children, and an additional 388 received case work or referral services.

The Homes provided in addition to on-campus care, foster home care for pre-schoolers and other children who need a small home atmosphere. Approximately 110 children are being cared for through this phase of the program.

Twenty-five of the children now being cared for by the Baptist Children's Homes are from Henderson County. The amount given to Baptist Children's Homes by the churches of Carolina Association (Henderson County) during the nine-month period of September 30, 1966 - June 30, 1967, is $6,282.47.

In order to better serve the interests of Western North Carolina children, and the Baptist Children's Homes, a proposal for a home in Western North Carolina has been under study by the Children's Homes Board of Trustees. A fifth home would enable the children to be cared for in close proximity to their relatives and friends so as to eliminate long trips to see these children.

BIBLICAL RECORDER

1967 Report of the Biblical Recorder to the Associations:

Does your church have a definite plan for getting information on the Baptist world wide mission effort to your church members?

Is there any definite plan to acquaint the membership with Baptist doctrine and policy?

Do your members have any way of knowing what other churches are doing and what is being done through cooperative efforts?

Is there any systematic plan for placing good Christian literature in the homes?

Do your deacons and church officers have a regular source of information as they help shape the policies of your church?

Is there a planned way to get accurate information and helpful information to your church leaders?

The simplest and most economical way to get all this information into the homes of your members is through the BIBLICAL RECORDER. Under the church budget plan, this can be done for only 4¢ a week.

The Recorder is continuing to run both Sunday school lessons -- the Uniform Lessons and the Life and Work Curriculum Lessons. Outstanding writers have been secured to do these lessons.

Nothing else can take the place of the BIBLICAL RECORDER in Baptist life.

If you doubt this, try it in your church.

COOPERATIVE PROGRAM

(Prepared by State Convention Office)

Despite the fact that Southern Baptists have been sharing the gospel through the Cooperative Program since 1925 many do not know what this plan is. The question -- What is the Cooperative Program? -- is often heard.

The answer is simple. What the budget is to the local church the Cooperative Program is to the denomination. It is support for all missionary causes at home and abroad -- it's preaching the gospel -- it's healing in the name of Jesus through hospitals and clinics everywhere -- it is teaching and training Christian leaders for all the great tasks of Kingdom endeavor.

As our people worship with tithes and offerings Sunday by Sunday and as the local church channels a part of its income through the Cooperative Program, we enter into partnership with God and one another in obedience to the command, "Go...preach...teach..."

Let us resolve to pray earnestly for all Kingdom work and support our prayers with sacrificial giving of self and substance.

Last year North Carolina Baptists gave $5,787,311 through the Cooperative Program. Supplementing this with Special Offerings amounting to $2,897,639, we had a total of $8,684,950 for all mission causes! Two associations (Anson and Yates) had 100% of their churches giving through the Cooperative Program.

According to records available our association gave $76,080.00 during the last year for World Missions through the Cooperative Program.

COMMITTEE ON ORDINATION

The Committee on Ordinations met in April 1967, at Fruitland Baptist Bible Institute to ordain Stafford Berry, a senior at Fruitland and a member of Mount Moriah Baptist Church.

Rev. R. P. Hamby, the committee chairman, presided over the examination, which lasted about 45 minutes. Brother Berry gave his testimony of conversion and call to the ministry.

The committee recommended to the Mt. Moriah Baptist Church his ordination which took place at Mt. Moriah on Sunday afternoon, April 16, 1967.

He had already been called to a church in Dillon, South Carolina, where he is now pastoring.

The Associational Committee on Ordinations also had the privilege of examining and ordaining to the Christian ministry, Rev. Raymond Brown of Balfour Church. The Ordination Council was presided over by Alex Booth, assisted by A. C. Miller, John Rymer, Buddy Mullinax, and the pastor of Balfour Church, Rev. Curtis McCarley. Brother Brown, at the time of ordination, was a senior at Fruitland and had already been called to a church in North Carolina.

The Green River Baptist Church ordained one of its members, Rev. Lewis Staton into the Christian Ministry during this past year.

Respectfully submitted, R. P. Hamby

HISTORIAN'S

Reports are of value in several ways. By them we are able to compare our present attainments with those of the past, as well as to make comparisons with other churches. They may serve as incentive to ourselves to put forth greater effort in doing good, as well as to cause others to do likewise. If a committee is not required to make a report, very likely little effort will be put forth. When Jesus sent out the seventy two by two and they had returned, they reported to Jesus, "Even the very devils are subject unto us in thy name."

Among the occurrences of the associational year of interest to all of our churches, we would mention first the coming of Rev. Zeb D. Baker to succeed Rev. Clay Barnes as Associational Missionary in the Carolina and Transylvania Associations. He had served in a similar position for eight years in the Green River Association and had been pastor of various churches including the Saluda Baptist Church. He has taken up the work with zeal and is ready to answer all calls of the churches as far as it is possible. Mrs. John Surrett has been secured as office secretary.

The Henderson County Crusade for Christ held in August on the grounds of the Main Street Baptist Church was pronounced an outstanding success.

Fruitland Baptist Bible Institute, located within the bounds of our association, graduated 37 seniors, the graduation services being held in the sanctuary of the First Baptist Church of Hendersonville, with Dr. Carl Bates of the Charlotte First Baptist Church as baccalaureate speaker.

Note burning as follows have been held in three churches of the association; a note of $11, 182. 50 on a new church building lot by the First Baptist Church of East Flat Rock, a note of $20, 000 on an educational building by the Tuxedo First Baptist Church; and a $200, 000 note on the new sanctuary by the First Baptist Church of Hendersonville. The latter church has recently installed a $60, 000 organ.

The following churches have entered new buildings: Balfour, a beautiful structure on the Asheville Highway; Barker Heights, a new $40, 000 sanctuary and educational building being under construction; Mills River and Oak Forest Churches, new educational buildings, while the Fletcher First Baptist Church has constructed a pastorium.

Ordinations occurring within the association were those of Rev. Stafford Berry at Mount Moriah, Rev. Raymond Brown at Balfour, and Rev. Lewis Staton at the Green River Church, of which he is now pastor.

Those assuming new pastorates during the year were Rev. Richard Stephens at Main Street, Rev. Curtis McCarley at Balfour, Rev. Lewis Staton at Green River, Rev. M. G. Williams at Dana, Rev. O. S. Ulmer at French Broad, Rev. Albert Rhodes at Cross Roads, Rev. General Beddingfield at the Tuxedo Mt. View Church, Rev. Charles Frady at Zion Hill, Rev. Preston Thompson at Mt. Valley, and Rev. Herman Hicks as Associate Pastor at Hendersonville First Baptist.

We note with sorrow the passing of several former or recent associational people, among whom were Dr. Arthur Jackson, Judge James E. Shipman and Mr. D. G. Wilkie. Dr. Jackson was former pastor of the First Baptist Church of Hendersonville. He served two terms as clerk of the association and preached the annual sermon at the session of 1928. Judge Shipman had been very active in church work for many years, and for some time he was Judge of the County Recorders Court. His report "Temperance and Public Morals" made to the session of 1944 is a classic and will bear present-day reading. Mr. Wilkie was the beloved moderator of our association for two terms and served as chorister for many years.

On the other hand, we note with pleasure the return to the association of Rev. and Mrs. T. G. Proctor, formerly of the Shaw's Creek Church.

In comparing statistically the year 1965 with 53 churches reporting, with the year 1966 with 50 churches reporting, we find a gain of . 02% in membership, 6. 7% in pastors salaries, 15. 6% in the value of church property, 4. 5% in offerings, 9% in the number of tithers, and . 02% in brotherhood enrollment.

At the same time we note the following losses: 4.7% in Sunday School enrollment, 10.7% in BTU enrollment, 7% in WMU enrollment, 2% in baptisms, and .5% in mission contributions.

Many churches could have aided in making this a better report had they only notified the association office or the historian of their accomplishments.

Respectfully submitted, C.F. Jervis, Historian

STATE MISSIONS

In the Great Commission we are commanded to Reach, Teach and Develop disciples for Christ. This in its broadest sense is the work of our State Mission Program. The division of our State Convention is supervised and promoted by Missions Director, J. Howard Ford. State Missions include fifteen ministries as follows: 1. Church Development Department, 2. Interracial Cooperation, 3. Fruitland Bible Institute and Camp, 4. Ministry to the Deaf, 5. Seminary Extension Work, 6. Military Ministry - Japanese Work, 7. All General Missions Projects, 8. Institutional Ministries, 9. Cooperation with Associational Missionaries, 10. Pastors Schools and School of Missions, 11. Pastorial Aid, 12. Church Lot Fund, 13. Church Loan Fund, 14. Cherokee Indian Ministry and 15. North Dakota Work.

The State Mission Program is supported financially through the Co-operative Program of Southern Baptists, and by the Special State Mission Offering in September. This makes it possible for each individual and church to have a vital part in the Great Commission, as we seek to begin at home to evangelize the whole world. State Missions is called the Life Line of Baptist growth in the State. This being true, it demands our full support through the Cooperative Program and the special State Offering.

Respectfully submitted, C. H. Greene

MISSIONS COMMITTEE

The committee on Missions for our Association is provided for by the Constitution and By-Laws and listed on page 12 of the 1966 minutes.

This Committee has met several times during the past year, and has tried to meet its responsibilities under divine leadership.

We are happy to report much progress in all areas of associational work. Our Superintendent, working with the moderator, the missions and the executive committees secured the services of a well qualified secretary in the person of Mrs. Carolyn Surrett, who has been a great help to all of us.

At the coming of Mr. Baker, we secured an office in the Huggins Building, 105 S. Main Street, Hendersonville.

Our missionary has endeared himself to the people of both Carolina and Transylvania Associations. His monthly reports reflect a constantly busy schedule. Briefly outlined, his ministry from November 1966 through June 1967, includes: 16,200 miles traveled; 29 churches visited in our association and 20 inTransylvania; Associational meetings - 37; conferences - 385; preached 64 times; helped in ordination services 5 times, and many other ministries, but these give some idea of work being done and affords reason for optimistic outlook for the years ahead.

Respectfully submitted, Homer O. Baker, Chairman,
George Roberts and O. J. Smith

BAPTIST HOSPITAL

Baptists of North Carolina can be justly proud of our Hospital in Winston Salem. It is truly one of the great Medical Centers of this Nation. Staffed with 1,200 officers and workers, with "exceptional equipment," they deal in services that include the total person - physical, mental and spiritual. "Some 90% of the patients are referred (to the hospital) by family physicians, and they come from all over the state and some from other countries. The scope and type of services are listed in informative brochures and leaflets which all church members should study.

The Record for 1966:

18,687 patients received 158,316 days of hospital care.
4,557 service patients, those who must have financial help received 29,532 days of free care.
17,042 service patients made 98,630 visits to the Outpatient Clinics.
16,221 private patients, paying for full medical care, made 69,195 visits to the Department of Clinics.
THE COST OF FREE CARE given in 1966 was $1,511,000.

Churches of the Carolina Association gave through Mother's Day offerings in 1966 a total of $4,246.59; and through June of 1967, $4,229.98. If all our churches come through as some of them did, the 1967 record will be one of which we can be proud.

Respectfully submitted, Homer O. Baker, Rep.

ANNUITY BOARD

A new program, called the Southern Baptist Protection Program, providing additional benefits for disability, new benefits for children, education of children and dependent parents showed a large increase during the first three months of 1967, over the same period last year.

This year for the first time the Board granted each beneficiary a check equal to one months' income as a special dividend.

In 1966, more than $4,256,244 was paid in age retirement, disability or widow benefits to persons who had participated in the Protection Program.

A retirement program based on $4,000 salary is no longer adequate to meet the needs of a minister when he retires. Because of this, the new Program was started so churches could help their pastors increase their retirement protection. Ten percent dues on toal salary are recommended as minimum. There are eight or more pastors in the Carolina Association now benefiting from this plan.

There are thirty churches in the Carolina Association participating in the Annuity Program. Is your church included?

It ought to be.

Respectfully submitted, Broadus E. Wall

BAPTIST HOMES FOR THE AGING

Our Baptist Homes for the Aging have experienced one of their best years. The Special Day Offering from all of the Baptist Churches, to supplement needy residents, appears to be the greatest ever.

Even though there has been a 10% increase in the offerings, the cost of care has increased 20%. Twenty-eight of our churches in the Carolina Association gave $1,197.93 last year. It will be necessary, therefore, to challenge the churches of our Association to give more liberally than ever before this year. Our Baptist Home Family will increase this year by 30, when the new home in Yancyville is opened in September.

At the present time there is not anyone from the Carolina Association in our Baptist Homes. The last one, Mrs. Ella Raines passed away in early June.

Respectfully submitted, Mrs. Horace Pace, Chmn.

INTERRACIAL WORK

An interracial work has been started in Henderson County by the Baptist State Convention, our association, and the Home Mission Board. I have been asked to help in this work, and to make monthly reports.

At present 19 Negro boys are enrolled in a weekly boy's Bible class, which meets at Union Grove Baptist Church, near Seventh Avenue. Attendance ranges from 12-19. There has been a fine spirit of cooperation.

An adult Bible Class began in March, meeting on Thursday nights, and continued for three months. This has been discontinued until September, because most of the adults have special summer work.

A two weeks Vacation Bible School was conducted in June, with an average attendance of 85. Two made professions of faith, one for baptism.

Besides the work at the church, evangelistic services have been held in our eight migrant camps. Fruitland Baptist Church and two men from the First Presbyterian Church also, have conducted services at the two camps near Select Foods, Inc. Mr. Finley Pace and I hold meetings at six other camps on Sunday and two week nights. Attendance has ranged from 6 to over 30, with an average attendance of about 20. The response has been good. Several have made professions of faith, and many have requested prayer.

The Association, jointly with the Interracial Department, has sponsored a Negro girl in the Vacation Bible School work this summer.

We are grateful for the opportunity of teaching the Bible, and of trying to win the lost to the Lord Jesus Christ.

Prayerfully submitted, T. G. Proctor

WOMAN'S MISSIONARY UNION

Members of the Woman's Missionary Union have grown during the year as we have studied missionary programs, Bible and mission study materials.

Opportunities for fellowship, information and inspiration were helpful for those attending and participating in the quarterly meetings for WMS, GA, and YWA. The Sunbeam work was strengthened through the Day Camp held in August.

At our annual meeting in April we reported 38 missionary societies, 16 YWA's, 38 GA's and 28 Sunbeam bands.

"Serving the Lord means telling the story of Jesus to those who are out of the fold."

GENERAL BOARD REPRESENTATIVE

The General Board of the Baptist State Convention is composed of representatives from the Associations in the state. The Constitution provides: one member shall be elected from the area of each district association; one additional member from any district association with a membership of 20,000 to 40,000; one additional member from any district association with a membership of more than 40,000.

The voting ex-officio members are the President of the Baptist State Convention, First Vice-President of the Baptist State Convention, and the Second Vice-President of the Baptist State Convention.

The non-voting ex-officio members are the General Secretary-Treasurer, Recording Secretary, State Woman's Missionary Union President and the State Brotherhood President.

The invited guests are: Staff of the Convention, Administrative heads of all institutions, Editors of Biblical Recorder, Secretary of the Baptist Foundation, Representatives from the Baptist Student Union, Chairman of Missionary Conference, and anyone with a definite proposal or concern in connection with work of the General Board.

The General Board is required to meet three times during the year, in January, July and October. It will meet at other times, provided called meetings are necessary.

The function of the General Board is to carry on all business transactions of the Baptist State Convention during the year when the convention is not in session. It is divided up into six committees; Stewardship, Evangelism, Church Programs, Christian Higher Education, Social Services and Missions Committee.

The January meeting is an organizational meeting at which time officers of the General Board and Chairmen of the various committees are elected. By reason of their elected positions, the following are automatically members of the Executive Committee: President of the Baptist State Convention, First Vice-President and Second Vice-President of the Baptist State Convention, President of the General Board, Vice-President of the General Board and Chairman of the various committees. Five members at large must also be elected for the Executive Committee to be in line with the constitution.

In 1965 the General Board voted to take the July meetings to the various colleges. The October meeting is the time for consideration of the annual budget.

Some of the major issues or items of interest decided upon during the 1966-1967 year are: The report on progress of the Five-Year Spiritual Growth Program indicated that 1,500 churches have become involved in the program. There were 68 clinics held last fall with 71 associations in the state participating.

It was recommended that the new administration building at Fruitland be called the "J. C. Canipe Memorial Building" and that 20% of State Missions Offerings for 1967 be added to the $25,000.00 raised last year for the construction of this building. The General Board approved the appointment of three new faculty members at Fruitland.

It was recommended (1) that we ask the convention of 1966 for the privilege of borrowing an amount not to exceed $250,000.00 for completion of auditorium and air-conditioning classrooms at Caswell, (2) that Gardner-Webb College be allowed to borrow up to $350,000.00 for construction of men's dormitories, (3) that Wingate College be allowed to borrow up to $600,000.00 for construction of men's dormitories, (4) request to borrow $350,000.00 for Wake Forest College Baptist Church, (5) Wake Forest College request to borrow an amount not to exceed $2,000,000.00 for construction of football stadium.

Other recommendations presented to the Convention in the fall of 1966 were (1) Constitution and By-Laws changes, (2) Budget for 1967 and (3) Retirement Plan changes.

Respectfully submitted, Mrs. Henry Stokes, Rep.

VACATION BIBLE SCHOOL

The Vacation Bible School Reports are not all in as yet. We have at this time reports from 21 churches. We are sure many more schools were held.

The Associational Clinic was held at the First Baptist Church, Hendersonville, March 21, 1967. Day session from 9:00 a.m. until 2:30 p.m. Evening session from 7:00 - 9:00 p.m. Total attendance - 200.

SUNDAY SCHOOL

Perhaps the biggest thing to happen in the Sunday School this year was the Central Training School. There were 25 churches represented by 190 enrolled with an average attendance of 144. 164 awards were received. Since our Superintendent has changed churches and for lack of records we cannot give the total picture.

We have the churches, we have the church members, we need only the compassion of the Master to send us out into fields to bear witness.

As an association we promote the Central Training School each year with pleasing results. The Training School provides training for workers that would not otherwise be received and trained workers is one of our greatest needs.

We also urge each church to observe January Bible Study Week and to seek to enlist all the church members in this week of Bible Study. There is no substitute for the study of the Bible.

FOUNDATION

(Prepared by State Convention Office)

Certainly in the history of the work of the Baptist Foundation and especially in its last four years of active promotion, 1967 will be remembered as a year of tragedy with our leadership. For some months our Chairman, Dr. I. G. Greer, has been critically ill at his home in Chapel Hill. Some two weeks ago our Executive Secretary, C. Gordon Maddrey was stricken with a series of heart attacks and has remained in critical condition in Rex Hospital. The loss of the leadership of these two faithful men at any time would be tragic, but especially as we approach the annual meetings of our Associations throughout the Convention.

This has been the most fruitful year in the work of the Foundation with many new commitments and marked progress in developing some of the projects of large standing.

Some people from Carolina are now investing in the Foundation.

AMERICAN BIBLE SOCIETY

(Prepared by American Bible Society Headquarters)

The American Bible Society shares the concern for all people and is especially interested in the Baptist plan of Evangelism for the "Crusade of Americas," and World Mission year 1969.

Southern Baptists rely on this Society, therefore, we support it. Southern Baptists last year gave $233,896 and ranked first among all denominations in gifts. Every church should give at least $10.00 per year.

EVANGELISM

This past year the churches of our association baptized 427 persons. This represents a ratio of one baptism for every 33.86 members. We are grateful to God for every person who has been brought to confess Jesus Christ as Lord and Master. We call upon our churches to give themselves to the work that brought Christ from heaven to earth, evangelism. Evangelism is the heart of our churches' existence. Evangelism must be a two-pronged thrust. We must publicly proclaim that Gospel, that is the power of God unto salvation, and we must personally win others to Christ. "Every Christian, a Witness" must be more than a slogan, it must be a reality in our lives.

Our churches face a tremendous evangelistic challenge in the Crusade of the Americas. This is more than just a two-week period of revivals. It is an emphasis on evangelism that should occupy our churches throughout 1968-1969 and 1970.

NATION-WIDE EMPHASIS ON PRAYER: Two days of prayer, January 14, 1968 and January 12, 1969; PACT: A program of "Prayer Partners" with individuals, groups, and churches on the "Other Americas" initiated in July-August 1968; Watch Night Prayer Service December 31, 1968.

NATION-WIDE SEARCH FOR PROSPECTS: May-June-July-August, 1968.

NATION-WIDE VISITATION WITNESSING: September-November, 1968.

NATION-WIDE CRUSADE OF THE AMERICAS REVIVALS: March 16-30; April 6-20; April 27-May 11, 1969 (The date for our Association is April 6 through April 20.)

NATION-WIDE EMPHASIS ON NEW MEMBER ORIENTATION: Following the Crusade of the Americas Revivals. Study of the book "Daring Discipleship" and launch new member orientation.

SPECIAL EMPHASIS IN NORTH CAROLINA ON CHRISTIAN MATURITY: January 1-December 31, 1970.

Our Association will have an EVANGELISM CLINIC October 30 of this year in preparation of our cooperation in the Crusade of the Americas.

Respectfully submitted, Geo. A. Johnson, Jr, Chairman

RADIO AND TELEVISION

The Radio and Television Commission of the Southern Baptist Convention with headquarters in Fort Worth, Texas, produces a large number of radio and television programs that are broadcast throughout the world. A total of 12 regional North Carolina Radio stations carry the program "Master Control"....a total of 6 regional radio stations carry the program "Baptist Hour"...One Western North Carolina station carries "The International Sunday School Lesson" on Saturday morning. A well known television program, "The Answer" is carried on WISE-TV in Asheville each Thursday at 7:00 p.m.

Locally - Henderson County Baptist ministers participate on "Morning Devotions"...a Monday thru Friday program over WHKP Radio, furnished by the station as a public service. Baptist ministers appear as speakers on this program approximately 4 weeks out of the year. In addition, the morning worship service from the First Baptist Church of Hendersonville is broadcast once each month as a public service -- the Vesper Services from the First Baptist Church are heard each Sunday evening - this program is paid for by the church.

Individual Baptist ministers sponsor a total of one and a half hours per week of religious broadcasts over Radio Station WHKP.

BROTHERHOOD

We like to see and read reports. Outwardly speaking this has not been a banner year, but we do feel a substantial nucleus for good Brotherhood work exists in the Carolina Association. With 14 in operation out of 62 churches this leaves more good potential possibilities. Some very effective workshops have been conducted on the state level, that with the influence of Camp Caraway for R.A.'s leads the writer to predict greater interest and results for Brotherhood on the Associational level in Carolina.

It would be the challenge of the year if every existing Brotherhood president would commit himself to the task of a better, stronger organization of men and R.A. boys in his church. Also seek to help another church that now has no Brotherhood organization.

May we join hands and hearts toward this goal.

Respectfully submitted, Roy A. Huggins

PROCEEDINGS

The ninety-first session opened with the singing of "Blessed Assurance" led by Junius Huggins. Opening Scripture and prayer were given by Rev. Silas Bradley of the host church. The congregation sang "I Am Thine O Lord."

The report of the Committee on Enrolment was given by Silas Bradley in which he stated in a motion that the 33 churches with 166 messengers already present constitute the Association. The motion carried. The welcome was also given at this time by Brother Bradley.

Rev. Charles Magnet of the Committee on Order of Business made a motion that the printed program with two changes be adopted as the Order of Business. The motion carried. The two changes were that the report of the Mission Center be given at the Monday evening session following the Cooperative Program report and that the report of the Committee on Nominations and the report of the Committee on Committes be given after the report of the Committee on Constitutional Changes.

Visitors to our annual meeting as well as new pastors were recognized. The new pastors were Waldo Greene from East Side, Forrest Maxwell from Shaw's Creek, Andrew Webb from Bearwallow, and Rev. Collins from Naples.

A presentation of the Book of Reports and a motion that its contents with the exception of any recommendations to be made, be adopted for the record. The motion carried.

The General Board report was given by C. H. Greene. He noted in addition to the information in the Book of Reports that Gardner-Webb was given permission to proceed in plans to become a four-year school, the establishing of a Christian Life Commission by our Convention, and that part of the State Mission offering next year go toward renovating the older buildings on the Fruitland campus. Our Convention is also helping in establishing an Annuity Program for the Negro brethren in our state.

The Moderator announced the Committee on Place and Preacher which consisted of Chmn. Frank Carter, Ralph Banning, Audrey Saunders, Roy Keller and W. J. Ballard.

The report on the Cooperative Program was given by Woodrow Maxwell who made a suggestion that the Executive Committee urge the churches to give funds in a special project so that the Executive Committee could buy newspaper space to be used at the discretion of the Committee to promote information concerning what the Cooperative Program is and how it functions.

The report of the Mission Center was given by Alex Booth who referred to the Executive Committee minutes on pp. 11-14 and the Missions Committee report on pp. 20-21 of the Book of Reports. He mentioned that the indebtedness on the loan incurred from the Mission Center project was $4,185.00. He suggested that the Executive Committee consider asking the churches to help pay off this indebtedness.

Reference to the Home Mission report as printed in the Book of Reports was made. No verbal report was given.

Reference was made to the Foreign Mission report in the Book of Reports by Miss Audrey Saunders. She mentioned the need to pray for China and the Christians living there under Communism; and she urged the women of the churches to provide counseling and leadership for the boys of the churches when the men of the church failed to respond to this challenge.

Reference was made to the Interracial report in the Book of Reports. No one spoke to the report.

The State Mission report was given by Alex Booth who introduced Rev. Harold White the Secretary of Stewardship promotion in our Convention. He spoke briefly but in a very challenging way as to how we can meet the challenge of our day by:

1. Deepening our concern for the needs of the world.
2. Dedicating our resources to God.

He made mention of the fact that Southern Baptists are giving a little less than one-third of their tithe to the Lord's work.

Special music entitled "Give Me A Vision" was rendered very meaningfully by Dwyre Stroupe from the Oak Forest Baptist Church.

George Johnson, the Saluda pastor, spoke on his trip to Washington to attend a conference on evangelism in preparation for the Crusade of the Americas. After the singing of "Christ the Only Hope", Rev. Billy Cline, pastor of Merrimon Avenue Baptist Church, Asheville, N.C., spoke on the Crusade of the Americas and said its purpose is three-fold as follows:

1. Revival and spiritual renewal in the church.
2. Social action by the church.
3. Evangelizing the world for Christ.

The meeting closed as the Moderator asked every pastor present to kneel with him at the front of the auditorium as Brother Frank Carter of the Mud Creek Church led the pastors and all other people present in a prayer of dedication.

Morning Session First Baptist Church, Hendersonville, N.C. 10-29-68

The opening hymn "Soldiers of Christ Arise" was led by Dave Causey of First Baptist Church. The devotion was given by Rev. Herman Hicks, associate pastor of First Baptist Church, who also led the Association in prayer.

The Committee on Enrollment reported that 213 messengers from 35 churches had already registered.

Herman Hicks made announcements concerning the noon meal as the time arrived for the annual sermon.

Curtis McCarley read the scripture from Ezekiel and C. H. Greene preached a very challenging and inspiring sermon from the passage noted using three main points: (1) feeding and feasting without food (2) Famine with foulness (3) life-giving promise. The benediction from the service and the giving of thanks for the food of the noon meal was given by John Rymer and the morning session adjourned.

Afternoon Session

The afternoon session opened with the group singing "Come, Thou Fount of Every Blessing" led by Dave Causey. The devotion was given by Forrest Maxwell from II Peter on the subject of spiritual storehouses. He led the group in prayer.

L. L. McGee from the School of Pastoral Care at Baptist Hospital gave a report of the ministry of the Hospital citing the fact that drastic changes are being made of necessity in the charity work offered by the hospital due to rising costs.

The Homes for the Aging report was given by Henry Stokes and the Children's Homes report was given by Mrs. C. W. Sumner. Rev. Curtis McCarley is to be the speaker and Kenneth Ridings the alternate. The report was adopted.

The report of the Resolutions Committee was presented and adopted.

The final report of the Enrollment Committee was given and noted that 222 messengers had enrolled representing 38 churches.

Bobby Graham presented a motion stating that Chairmen of Associational Committees not succeed themselves the second year unless designated by the Constitution or underspecial circumstances that will be made plain to the Association or to the Executive Committee. This was presented as a change in the By-Laws and was so voted by the Association in session.

Brother Graham also made a motion that the Missions Committee evaluate the type of Associational Mission program needed and made a thorough report and evaluation to the next meeting of the Executive Committee. The motion carried.

Two suggestions were presented to the Association. One was that all people who are to serve on any associational committees be contacted in advance before their names are presented. The other suggestion was that all pastors present to the Committee on Nominations a list of names from their churches of people who would be willing and capable of serving on various committees.

In view of the passing of the new By-Law, Roy Keller made a motion which passed that the clerk be given authority to enter the new chairmens selected by the Committee on Committees.

Brother Graham made a motion which passed, expressing appreciation of the fine work done by all Committees of the Association during this annual session.

REPORTS

HOME MISSIONS

The Christian task in our homeland grows with each passing day. The population has passed 200 million and by 1980 it is expected to reach 242 million. Migration from central cities to suburbs will continue, as doubtless will problems of poverty, racial tension and public and private morality. More than seventy-five million people in the United States are unchurched. Our national involvement around the world constitutes a heavy burden.

Following is a statistical summary:

	1966	1967
Number of workers (including 740 summer workers)	2,735	3,006
Professions of Faith	56,834	58,889
Total Professions and additions	88,093	88,619
Scripture portions and tracks distributed	471,808	547,621
New Missions started	560	487
New Churches constituted	233	197
Southern Baptist Chaplains on duty in military service (These not included in above report of Missionaries)	849	935
Professions of faith reported by Chaplains	15,000	13,500

The emphasis on "The Church Fulfilling Its Mission Through Ministry" has placed the spotlight on the minorities, the disadvantaged and the poor. These have been brought to the attention of our Home Mission Board as objects of divine love and as persons we ought to reach for Christ. The upcoming Crusade of the Americas and Project 500 will magnify the ultimate purpose of all home mission work which is to lead people to know and follow Christ. We face the future with the prayer that this agency, the Home Mission Board, may be used increasingly to develop in America a nation whose God is the Lord and to build an enlarging foundation for the spread of the gospel. Let us work together and pray for a renewal of spiritual vitality, a revival of Christian faith.

Respectfully submitted, Ray Justice

FOREIGN MISSIONS

"Methods change often, principles never do." Southern Baptists are still endeavoring to preach the message of Jesus and His love in obedience to His "Go Ye."

M. Theron Rankin, former Executive Secretary of the Foreign Mission Board, sounded the call to advance in 1948 when 625 Missionaries were under assignment of the board in 25 countries. Twenty years later approximately 2,300 missionaries were under assignment in 68 countries. This growth is not accidental but the result of sustained prayer and well laid plans for continued "advance" that the world may know Christ.

Our leaders of Foreign Missions have kept the needs of the world before us -- when we know we care -- and when we care about world needs we pray. Individual prayer has aroused Southern Baptists to give of their financial resources that those called out for special service might go. Sons and Daughters have answered God's call to proclaim the story of redemption in 68 nations, and yet we only scratch the surface. We must "press on" in this forward advance for Christs' glory and honor.

Career Missionaries, Missionary Associates, and Missionary Journeymen are ably directed by the area secretaries and those in other administrative positions at the Foreign Mission Board under the leadership of Executive Secretary, Dr. Baker James Cauthen. For more effective work, Dr. Winston Crawley has been named Director of the overseas Division. Latin America has been subdivided into two areas, Middle America and the Caribbean. The Orient subdivided into two areas, East Asia, and Southeast Asia. A note of anticipation causes hope to burn more brightly when we read: "When Mainland China re-opens for mission work it will be a port of the East Asia area."

Growth has come in the area of administration, in personnel on the Mission fields and the number of countries where our missionaries are at work. Growth has also come in increased giving through the Cooperative Program and the Lottie Moon Christmas Offering.

Our God is faithful! He has given us the command to go and His resources are in our hands. We must -- in obedience and love -- continue to proclaim the story of salvation in Christ around the world "that men may know Him -- Whom to know is life eternal".

Respectfully submitted, Audrey E. Saunders

STATE MISSIONS

The work of the Baptist State Convention of North Carolina is divided into six divisions. One of these is the Division of Missions. In turn the Divisions are divided into various departments of work. The Division of Missions has fifteen departments. Through these departments we serve the Lord as we support this division of our work with our prayerful interest and our money. A special week for prayer and offerings is provided each year during the month of September. During the year 1968 we are hoping to reach a total of some two hundred thousand dollars in special offerings for State Missions.

One of the departments of State Missions is located in our own association. The Fruitland Baptist Bible Institute ministers to men called to the gospel ministry who cannot go to college and seminary. With a student body of some one hundred fifty and a faculty of twelve, the school offers twenty-four different practical courses designed with the minister in mind. Classes meet Tuesday through Friday from 8:00 A.M. to 12:25 P.M. from the last of August through the month of May in three twelve-week quarters.

With the support of Cooperative Program gifts the schooling is available to any student whose home church will recommend him as a ministerial student who cannot attend college and seminary at a very low cost. Tuition is sixty dollars per quarter (students from churches in the Baptist State Convention of North Carolina pay only half of that), room and board is ten dollars

per week, and books cost about thirty dollars per set (which lasts for two quarters). With eight quarters work a student earns a diploma for ninety-six quarter hours.

Fourteen other departments of equal importance are part of the Division of State Missions. Our churches will do well to support this work for the Glory of God.

Respectfully submitted, Alex L. Booth, Jr.

ORDINATION COMMITTEE

The Committee on Ordination reports the ordination of two young men for the Gospel ministry during this associational year. The Main Street Baptist Church invited the committee to question Mr. Dale Congdon who is presently a student at Southern Seminary in Louisville, Kentucky. He has been called to the pastorate of a church near the seminary. The Fruitland Baptist Church invited the committee to question Mr. Kay Huggins. Mr. Huggins graduated from Southern Seminary in the spring of 1968 and was called as associate pastor of the Beverly Hills Baptist Church and Secretary of the Baptist work at Asheville-Biltmore College.

Both men were approved and ordained by their respective churches. The committee was impressed with the quality of these fine young men who have accepted the Lord's call into the Gospel ministry.

Respectfully submitted, Alex L. Booth, Jr.

BAPTIST HOSPITAL

This year our Baptist Hospital treated more than thirty thousand sick people with more than 165,000 visits made to the clinics at the hospital. In addition to this, more than 700 persons are receiving training in the various fields of medical care and Christian service, and a vast amount of medical research is being done in the causes and treatments of diseases.

The Development Program, which will increase the capacity of the Medical Center, is progressing on schedule. The new power plan is scheduled to go into operation in October. The paramedical school building is due to be ready by next April. It will provide the best in teaching facilities and double the capacity of our 9 schools. The Medical School addition is to be ready by September 1969, and will allow that school to enlarge by 35%. Contracts are due to be let in October for the new patient building, to be completed in 1971. This building and the remodeling of the oldest part of the present plant will provide more than 200 new patient beds and enlarge facilities for offices and examinations and treatment of patients.

The cost of this large Development Program is being provided by interested individuals, corporations, foundations and government agencies, which recognize the valuable service our Medical Center is rendering and the need for enlarging these services.

This is a difficult year financially. Our hospital has been forced to make important changes in its financial policies. In the face of mounting costs and increasing needs of the people, the hospital has been struggling with a growing deficit. The gap has continued to increase between the cost of free service and the money we have provided for this service. The amount of free service now will have to be governed by the amount of the Mother's Day fund. A patient's bill will be estimated in advance, any available hospital insurance be deducted, and balance must be paid before the patient is admitted unless he is certified by his County Welfare Department or some other agency. Any balance beyond the estimated bill must be paid before the patient is discharged. In case of an emergency, the patient may be admitted but the bill must be paid as soon as possible after admission. The Mother's Day fund will be used, as usual, to pay the difference between the amount paid by the certifying agency and the total cost of caring for the patient.

The great concern at our Baptist Hospital is for these patients who must have financial assistance if they are to get the specialized care they need. The hospital has come to the point that it cannot continue to operate without the money necessary to cover the cost. In view of the circumstances, we believe the great majority of our pastors and our people will understand these changes and give their full cooperation. The Mother's Day offering will need to be increased greatly if our hospital is to fulfill its mission to our people who most need it. We want to assure our hospital that it can depend upon us in full measure.

In 1967, the records show, 52 Churches in our Association gave $4,648.57.

In 1968 (January-September) 46 churches have given only $4,317.73.

This report prepared by the Hospital, Homer D. Baker, Representative

BAPTIST CHILDREN'S HOMES

As a result of our North Carolina Baptists becoming aware of providing care for homeless children, we have Mills Home; Thomasville, Kennedy Home; Kinston, Odum Home; Pembroke, Greer Home; Chapel Hill, and a group home established last year at Wallburg. These homes annually serve approximately 1,000 children. In addition, more than 300 children are cared for through case work services.

Sources of income for the Children's Homes are the Cooperative Program, the special Thanksgiving Offering, designated and once-a-month offerings, and endowment, designated support of children and special gifts. Cooperative Program income through the churches is increasingly important. Last year's Thanksgiving offering is the largest ever -- now approaching $325,000.

Encouraging progress is being made in the Capital Funds' Campaign to build a home for children in Western North Carolina to be located in Haywood County between Waynesville and Clyde. It is hoped that construction can begin in early 1969. The Western Home, in addition to providing group care, will strengthen all types of services now being provided children and their families in the Western area.

Four family style cottages have been constructed and dedicated during the past year - two at Mills Home and two at Kennedy Home. Two additional cottages will be constructed at Mills Home during the coming year. Funds for these buildings have come from bequests through estate planning by friends of neglected and dependent children.

The number of good Christian homes for the care of foster children is growing. More are needed in all sections of the state. Foster homes serve children of all ages and are particularly helpful for some who have special needs. Couples with or without children of their own, who have an abundance of love, find this to be a challenging and rewarding opportunity for Christian service.

Members of the Board of Trustees and members of the staff of the Homes are dedicated to a program of child care that will be worthy of the blessings of our Lord. May we covenant with them to face the future as we have in the past: to offer Christian nuture to children in distress in the name of Christ our Saviour and Lord.

Respectfully submitted, Mrs. C. W. Sumner

TRAINING UNION

These are important days in the ministry of Training Union. Many new ideas, new materials and a new seriousness to our need for Christian training are coming to through our Training Union!

This has been a good year for Training Union in the Carolina Association. Your associational Training Union Director attended the Associational Officers' Briefing Meeting in Winston-Salem on August 25, 1967. On December 4, 1967, we held our "M" (Mobilization) Night in the Mud Creek Baptist Church with twenty-five Baptist Churches represented and over 340 people present. The Mud Creek Baptist Church presented a very challenging drama. "Who Cares Anyway?" Under the very capable direction of Mrs. Jewel Waters. The drama was a challenge to our churches to minister to the physical and spiritual needs of people right around us. Every Christian should be trained to minister. Every Baptist Church should have a planned training ministry.

The associational Youth Night in our association was held on March 16, 1968, in the Ebenezer Baptist Church with eleven churches represented and over seventy-five people present. The theme for Youth Night was "Christ In My Career". The program was planned and carried out under the direction of the Associational Youth Officers: Miss Janice Nelson, President; Miss Cleo Pace, Vice President; Miss Judy Jackson, Secretary; Mr. Kevin Tvaronas, Miss Margaret Davis and Mr. Way Figart.

The Associational Training Union Tournament was held in the Balfour Baptist Church on March 31, 1968. There were participants in the Junior Memory Work Tournament, the Intermediate Sword Drill and the Adult Scripture Reading. The Regional Training Union Tournament was held in the Mars Hill Baptist Church on April 5, 1968, at which time 14 Juniors from the Carolina Association participated in the Junior Memory Work Tournament. There were several four-year winners in the Junior Memory Work Tournament from the Fruitland Baptist Church, First Baptist of Hendersonville, and West Hendersonville. Miss Gayle Booth and Mr. Claude Hathcock of the Fruitland Church represented our association in the Intermediate Sword Drill. Miss Gayle Booth won first place in the Regional Tournament. Again Mrs. Ella Lawrence Seymour, of the Fruitland Church, represented the Carolina Association and Region IX in the Adult Scripture Reading Tournament State Finals held at Fruitland this past summer. The Fruitland Baptist Church has and is setting a good example of having a planned training program for the members.

May I urge each of you to study and stay up-to-date with the current Training Union materials, especially the Training Union Magazine. This is essential to know what is going on in Training Union Work.

May I thank each of you for your prayers, assistance, and support in carrying on the Training Union work. I pledge you my best during the coming year and ask you to support and use your Training Program as a means toward a more effective Christian witness through the local church.

Respectfully submitted, Bobby Seagroves, Assoc. Training Union Director

SUNDAY SCHOOL

Our Associational Sunday School Program got under way this year with the Sunday School Superintendent attending a week of training on Sunday School work at Ridgecrest. Our Associational Sunday School Department consisted of a Superintendent and four age groups workers.

Your Associational Superintendent was privileged to be able to visit several of our churches and speak to them about the work of the Sunday School. This year through the Associational Sunday School Department we have been able to give out hundreds of pieces of free materials to Superintendents and Teachers of local churches.

The big thing in Associational Sunday School work this year was the Associational-Wide Sunday School Leadership Preparation Week that was held at the Mud Creek Church. We had a total enrollment of 250 for the school with a total of 759 people attending, an average attendance of 190, with 22

churches represented and the total receiving awards was 118. This was one of the greatest Sunday School meetings the Carolina Association has ever had.

As we look to the new year in our Associational Sunday School work, we will have a full slate of officers. This will enable us to better provide for the churches of this Association. We sincerely hope that any church in the Carolina Association that would like to have the assistance of the Associational Sunday School Department in your church will feel free to call on us.

Each church is encouraged to observe January Bible Study. January Bible Study week will be January 6-10. The book this year will be the Gospel in Isaiah. We would also hope that each Sunday School in the Carolina Association will become fully involved in the Crusade of the Americas. The Crusade date in our area is April 6-20.

Let us not forget Sunday School Leadership Preparation week in our local churches. The date is September 22-26. This can be the most important thing your Sunday School can do in the year 1968-69.

May we expect great things from God and do great things for God in and through the Sunday Schools of the Carolina Association.

Respectfully submitted, Charles E. Magnet, S.S. Superintendent

CHRISTIAN LITERATURE

To maintain a balanced and effective program we have learned that we must utilize all means of communication. Our communication through our literature has reached many of our people in many ways. It has helped us fulfill a small part of our Great Commission - to go into all parts and bear the Master's message. It has been a source of strength to the workers, a guide for the discouraged and a teacher for those who needed confidence.

To enumerate some of these publications we must begin with one of the oldest and earliest efforts, the Biblical Recorder. This is one publication that every Baptist home should have. Baptist tracts, books and other aids bear numerous Christian testimonies that have had a great impact upon the readers. There are various reports, such as the ones on the home for the aged, the children's homes, the hospital, etc., that reveal the great services now available. As these messages reach our public then a greater appreciation and deeper realization of the strength and efforts of our Cooperation Program begins to grow upon our fellowmen.

Without the planned and inspirational commentaries that are prepared for Sunday School teachers, Training Union workers, WMU leaders, Brotherhood, RA and GA workers, our Baptist churches would lose much of their effectiveness.

Without the dedicated and educated leaders our Baptist programs would find it hard to survive in our changing world. Constant study and regular or fulltime work for hundreds of our Baptists find it difficult to keep up with the task of reporting, preparing materials and seeing that they reach our scattered churches everywhere.

There is no known way of measuring the effectiveness that our many publications have had upon people everywhere. We have no idea of the numbers read although we know that there are countless people who are seeking to learn the Truth that will set them free. Our efforts in this area must continue for "we must leave no stone unturned". Those of us who serve in our churches need to make every use of all of our literature and see that it is placed in the hands of all those who can use it and share it.

Let us pray for those who render the services of preparing the numerous publications that are circulated in so many places. Let us realize that to enumerate them in this small space is an impossible task; on the other hand, let us give thanks for the dedicated efforts of Baptists everywhere, for through our Cooperative Program we are sharing the responsibility of the great ministry of our Lord and Saviour, Jesus Christ.

RADIO AND TELEVISION

The Southern Baptist Radio and Television Commission has its headquarters in a newly acquired, 'modern building in Fort Worth, Texas. Currently it produces and distributes, on a regular weekly basis, 16 radio programs and a television series. More than 1, 300 stations in all 50 states and 39 foreign countries broadcast the Gospel message through Southern Baptist programs each week. Each program is offered on a public service basis with no expense to the station. Even the postage on tapes and films is paid both ways. The total weekly potential audience for all the programs is estimated at more than 100 million people.

Television programs reaching us here in Western North Carolina are "The Answer", a half-hour dramatic or documentary program, is shown Mondays at 7:00 on channel 62, WANC, Asheville. The hottest news we have is "JOT", scheduled for showing for the first time this year on channel 4. "JOT" as a new and exciting spot commercial for God, consisting of 13 color cartoons conceived with the white, middle class child in mind. "JOT" is a neuter, antimated, polka-dot figure with whom most kids can readily identify.

Local radio supplies us with "Master Control", a 30-minute variety inspirational program for the whole family. It comes to us Saturday afternoons at 1:30 over WMIT and WFGW, Black Mountain, and Sunday evenings at 8:30 over WHVL, Hendersonville.

WHKP, Hendersonville, offers as a public service, "Morning Devotions" Monday through Friday. Baptist ministers participate approximately 4 weeks out of the year. In addition, the Morning Worship Hour from the First Baptist Church of Hendersonville is broadcast once each month as a public service. WHKP carries the Vesper Services from the First Baptist Church each Sunday evening. This is a paid program.

INTERRACIAL

Bible classes for Negro children are held each Tuesday afternoon at Union Grove Baptist Church. The average attendance has grown to 20 which is about double that of last year. The sole emphasis has been Bible teaching and evangelism.

It was my privilege to speak in the opening assembly of the Vacation Bible School at Union Grove for two weeks in June. One hundred were enrolled, with an average attendance of 61. Fourteen made professions of faith. Several were baptized into the church. Rev. Q. E. Owens is pastor. Mt. Albert Drake donated five doors for Sunday School rooms.

From time to time I was able to speak in six migrant camps. Besides the work of the Associational Migrant worker, Mr. Finley Pace held services regularly in 8 camps.

Rev. R. W. Styles, the new pastor of Star Bethel, is a capable and humble preacher. I was privileged to teach Sunday School and assist in worship service in his church on several occasions.

We have reasons to believe and are hoping that the emphasis in the churches in this area will be more and more on evangelism and Bible teaching.

WOMAN'S MISSIONARY UNION

Woman's Missionary Union work in the Association this past year revealed a widening interest in Missionary Education through advanced mission study classes held and a more intensified emphasis on Mission Action. Opportunities for inspiration and practical training were offered through the quarterly meetings.

With "Changes and Choices" coming to Woman's Missionary Union throughout the Southland during 1968-69, we are preparing to meet the challenge of a new year. A Leadership Clinic was held on September 30 to inform the local church leaders of the new plans and Leadership Courses which will be offered to further train them.

Two new WMS Societies were formed during the past year. We now have 40 churches with at least one of the WMU organizations.

Officers for the 1968-69 year are:

WMU Director - Miss Ellen Daniel
WMS Director - Mrs. Harold Pruitt
Secretary-Treas. -Mrs. Alex Booth
Pianist - Mrs. Roger Lasswell
Chorister - Mrs. J. L. Flynn
YWA Director - Miss Bessie M. Levi
Assoc. YWA Dir. - Mrs. Robt. Hamby

RESOLUTIONS COMMITTEE

Be it resolved that we of the 91st session of the Carolina Association go on record in extending our appreciation to the Barker Heights Church for our meeting with them for the night session. Our congratulations to their pastor, Rev. Silas Bradley and the congregation in their achievement in the construction of their beautiful new sanctuary.

We wish to express to the First Baptist Church and their Associate pastor, Rev. Herman Hicks, our sincere thanks for the day meeting place and to the ladies who prepared and served such a delicious and bountiful meal.

We appreciate the services of our moderator and his committees who planned and gave us such a splendid program.

Respectfully submitted, Ralph Banning, Chairman

FOUNDATION

During the past year, the North Carolina Baptist Foundation, Inc. has made regular and systematic progress. More and more of our Baptist people are inquiring about the services of the Foundation and are following these inquiries with concrete evidence of their concern. Some have made direct monetary contributions through the Foundation for a particular agency or institution. Others, with the help of their lawyers, have made provisions in their wills that through the Foundation Christian causes have been remembered.

One of our major emphases has been in the area of will making. Our pastors, associational superintendents, and our church representatives have given encouraging help in this educational campaign. The response in each instance, whether in an association or individual church, has been most gratifying.

We solicit your prayers and your continuing cooperation. The Foundation remains ready to assist you in any phase of our endeavors. Please call on us if we can be of assistance to you.

EXECUTIVE COMMITTEE MEETINGS

The executive Committee approved a request to the General Board for State Mission support for the Carolina Baptist Mission Center to the amount of $600 salary supplement and $2,600 rent.

Curtis McCarley moved that a special day be designated for the churches to give their people a chance to give a love offering to the Mission Center to help meet the financial emergency facing it just now. John Dickson seconded the motion, which carried.

Respectfully submitted, Roy D. Keller, Acting Clerk

A committee appointed by the directors of Carolina Mission Center recommended and Charles Magnet moved with John Dickson seconding that the total mission program be combined into one package. The motion was carried.

John Dickson moved that the Board of Directors of Carolina Mission Center and Carolina Missions Committee be appointed by the Executive Committee to make a recommendation for our total mission program and to report as soon as possible. Brother Hearn seconded the motion which was adopted.

Bobby Graham led closing prayer.

Copy of Rev. Zeb Baker's letter --

April 5, 1968

To the Carolina Transylvania Baptist Associations:

Dear Friends:

In the light of all circumstances, after having studied our program of work, I have come to the conclusion that it is an impossibility to promote two programs successfully over such a wide territory. Therefore, I offer my resignation desiring that my term of service expire May 1.

I sincerely hope that my resignation will cause each of the associations to re-evaluate, re-study and correlate their work into a fulltime program in each of the associations. It may be necessary for some or all of the churches to re-study their mission giving in the light of world missions instead of a geographical area. It is my conviction that Associational Missions is as important as State, Home or Foreign and should be properly and adequately financed.

As I take up the work as pastor Turkey Creek Church, I pledge myself to support our World Missions' Program through a strong associational ministry.

It has been a joy to work with you these months. I leave the Carolina Association with my best wishes and prayer, requesting that you pray for me as I return to my first love.

Sincerely yours,

Zeb D. Baker

Minutes prepared by Roy Keller, Acting Clerk.

July 1968

The quarterly meeting of the Carolina Baptist Association Executive Committee was held on Monday evening, July 22, 1968, at the Carolina Baptist Mission Center.

With Vice-Moderator Frank Carter presiding, C. H. Greene led the devotional service and led in prayer. As the business session opened, Henry Stokes, Chairman of the Membership Committee, made a motion to receive the Brightwater Church under watchcare for one year and the motion passed.

Brother Homer Baker, Chairman of the Missions Committee, gave a report on the status of the Mission Center and some recommendations for future consideration in planning our Associational Program.

The Executive Committee voted to continue operation of the store on either a volunteer basis or percentage basis under the direction of the Missions Committee. It also voted to continue the paper operation with authority vested in the Board of the Mission Center.

The Missions Committee was authorized to move the Associational Office back to the Huggins Building and the Board of the Mission Center was given authority to liquidate the assets of the mission at the best possible selling price. George Johnson was given permission to secure radio spots for the promotion of the Crusade of the Americas.

The meeting adjourned with prayer.

The following churches were represented: Mt. Moriah 1; Mills River 2; Beulah 2; Etowah 2; Saluda 1; Tryon 1; Mt. Home 1; Fruitland 2; Valley Hill 2; Pleasant Grove 1; Pacolet 2; Brightwater 1; Refuge 1; Mud Creek 1; and Main Street 1.

September 30, 1968

The Carolina Baptist Association Executive Committee met at the Associational Office on Monday evening, September 30, 1968, at 7:30 P. M. with the Moderator, Rev. George Roberts presiding.

The meeting opened with Brother Keller leading the group in prayer after which the minutes were read and approved. The group voted to recommend James Cox, a ministerial student at North Greenville Junior College and a

member of Refuge Church, as a candidate for financial aid to the South Carolina Baptist Convention. This action was taken in view of a recommendation received from his own church and his pastor, George Roberts.

The body voted to approve a recommendation from the Missions Committee that the salary of the Secretary, Mrs. Carolyn Surrett, be increased to $40.00 per week, retroactive to July 1, 1968. The committee also voted to let the Missions Committee proceed with the calling of an Associational Missionary.

After much discussion on the proposal to adopt a budget, a motion with an amendment was passed that the Executive Committee adopt or recommend the proposed budget to the Annual Meeting of the Association with instruction to the Finance Committee that they contact each church in the association and suggest a percentage increase or set a goal of increase to their associational gifts for the coming fiscal year. Each church is asked to respond to this challenge before the annual meeting so the Finance and Missions Committee can present a concrete proposal for our budget and the employment of a missionary to guide our work.

Other matters which were passed by the body included the following:

1. Authorized the treasurer to reimburse the Fruitland Church $65.00 which they advanced to assist with the employment of our migrant worker this summer.

2. Authorized the Associational Chairman of Evangelism to attend the conference in Washington, D. C., in October in connection with the Crusade of the Americas. He was to be given $150.00 for the trip.

3. The body requested the Chairman of the Missions Committee to apply as quickly as possible to the General Board for financial assistance to help us with our associational program.

After a motion to adjourn, Brother Frank Carter led in the closing prayer.

The following churches were represented at this meeting: Pleasant Grove 1; Etowah 2; Refuge 2; E. Flat Rock 2; Balfour 1; Fruitland 2; W. Hendersonville 2; Saluda 2; Mud Creek 2; Oak Forest 2; Bearwallow 1; Liberty 2; Pacolet 2; Shaw's Creek 1; Mt. Moriah 2; Main Street 1.

Respectfully submitted, John Rymer, Secretary

ANNUITY BOARD

Out of 54 active churches in the Carolina Association, 24 are participating in the Annuity Program. This is six less than last year. Of the 24, all have Plan "A" of the new protection Plan, one has Plan "B", and three have Plan "C".

For prospective new members there is a "grace period" provision in Plan "A". If you join during the grace period, your benefits will be more. The grace date is established in one of three ways: (1) as of January 1, 1969; (2) on the member's 26th birthday; or (3) one year from the date he first becomes eligible, whichever is the latter. The grace period will become effective January 1, 1969. Therefore, it is important that all who are now eligible join the program before that time.

Response to the Protection Program has been good. During 1967, 3,146 members joined some part of the three-plan Program. Of the 174 agencies in the state conventions and the Southern Baptist Convention, 145 were providing the Program. For the second consecutive year, all persons receiving a life benefit were mailed a "13th" check. Each check was for an amount equal to 12 per-cent of his annual benefit.

What does a minister, or any other church staff member do when he reaches retirement, is disabled, or dies young leaving a family? Surely churches care. All the churches of Carolina Association now in the Annuity Program are paying dues of 10% of a $4,000 salary. The dues are $400. Sometimes the church pays half and the minister pays the other half. By all

means, do one of the two. For those ministers who are making above $4,000 salary, the Annuity Board is recommending that the churches pay 10% of that total salary. This is reasonable.

Rev. Guy Cain promotes the Protection Program in North Carolina. For information about any of the plans in the Protection Program contact Rev. Guy Cain, 301 Hillsboro Street, Raleigh, North Carolina or write the Annuity Board, Southern Baptist Convention, 511 North Akard Building, Dallas, Texas.

Respectfully submitted, Herman F. Hicks

GENERAL BOARD REPRESENTATIVE

The General Board of the Baptist State Convention is composed of representatives from the associations in the state. The Constitution provides: one member shall be elected from the area of each district association; one additional member from any district association with a membership of 20,000 to 40,000; one additional member from any district association with a membership of more than 40,000.

The voting ex-officio members are the President of the Baptist State Convention and the First Vice-President and the Second Vice-President.

The non-voting ex-officio members are the General Secretary-Treasurer, Recording Secretary, State Woman's Missionary Union President and the State Brotherhood President.

The invited guests are: Staff of the Convention, Administrative heads of all institutions, Editors of Biblical Recorder, Secretary of the Baptist Foundation, Representatives from the Baptist Student Union, Chairman of Missionary Conference, and anyone with a definite proposal or concern in connection with work of the General Board.

The General Board is required to meet three times during the year, in January, July and October. It will meet at other times, provided called meetings are necessary.

The function of the General Board is to carry on all business transactions of the Baptist State Convention during the year when the convention is not in session. It is divided up into six committees; Stewardship, Evangelism Church Programs, Christian Higher Education, Social Services and Missions Committee.

The January meeting is an organizational meeting at which time officers of the General Board and Chairmen of the various committees are elected. By reason of their elected positions, the following are automatically members of the Executive Committee: President of the Baptist State Convention, First and Second Vice-Presidents of the BSC, President of the General Board, Vice-President of the General Board and Chairmen of the various committees. Five members at large must also be elected for the Executive Committee to be in line with the Constitution.

In 1965 the General Board voted to take the July meetings to the various colleges. The October meeting is the time for consideration of the annual budget.

Some of the outstanding items of interest decided upon during 1967-68 year are: (A) The operation of Child Care Program at Cherokee. This program to be jointly supported by the Home Mission Board and the Baptist State Convention, a director, part time secretary and necessary helpers will be employed. (B) The closing out of the Hatch Estate in the amount of $190,472.12. This money used for an auditorium at Caswell. (C) A request from the Board of Trustees of Chowan College to participate in Title III of the Higher Educations Act of 1965 was approved. (D) The Executive Committee of the General Board is recommending the name of Rev. W. C. Lamb as Director of the Division of Evangelism to succeed Rev. J. S. Hopkins, who is retiring. (E) The new Budget for 1969 will be considered at the October meeting. The recommended budget is $6,800.00. (F) During the past year several vacancies in personnel have been filled.

Respectfully submitted, C. H. Greene

COOPERATIVE PROGRAM

QUOTE - 1967 report - "Despite the fact that Southern Baptists have been sharing the gospel through the Cooperative Program since 1925 many do not yet know what this plan is".

The Cooperative Program is God's plan to man affording an opportunity to the individual for fulfilling the Great Commission. The Cooperative Program is support for all missionary causes at home and abroad, preaching the gospel in every land, healing in the name of Jesus everywhere through hospitals and clinics. It is teaching and training Christian leaders for all the great tasks of Kingdom endeavor.

As our people worship with tithes and offerings and as our churches channel a worthy part of their income through the Cooperative Program, we enter into partnership with God and one another in fulfilling the Great Commission.

Based on the best records available for the first six months of 1968 for the Carolina Association, 13 of our churches gave less than in 1967, while 20 gave more, showing an increase of $2,204.61 or an increase of more than 6 1/2 %. This is commendable but insufficient to meet the 10% increase needed state wide to meet the 1968 Cooperative Program budget.

Among the churches giving more and worthy of honorable mention is the Fruitland Baptist Church, having increased their giving from 28% to 30%. They gave $3,811.48 ----"Go and Do Thou Likewise".

Respectfully submitted, W. L. Maxwell

EVANGELISM

The first great responsibility of Baptists today is to proclaim the message of the Gospel clearly, plainly and under the empowering of the Holy Spirit. The second responsibility is to see that the new life and purpose of God found in Christ is in the foreground of all our motives, attitudes and actions in personal, cultural and organizational life and that this involves us in helping meet the needs of all people. To express the same things another way is to say evangelism is our first great responsibility and the second is to follow our Lord Jesus Christ Obediently, as taught in the Scriptures, that the true fruits of evangelism may issue from our total lives. Therefore, it must be of utmost concern to every Spirit-filled Baptist to know there is a reliable source of divine knowledge found in the Bible to preach the Gospel of Christ. To do these one must know what the gospel is, and this God has revealed and written for us in the Bible.

To move with God this year and next in the Crusade of the Americas means that we must be diligent in searching the Scriptures and proclaiming the glorious Gospel of Christ revealed therein; and that we must walk daily with God in the fellowship of prayer. Leaders in the churches must make sure these two most vital matters are constantly practiced in their lives and that these matters are always kept before the people in the churches. This done faithfully and sincerely day by day across the weeks and months will bring individuals and churches into vital relationship with God.

It is urgently important that every church be confronted with the opportunity and responsibility of participating with other Baptists across the Western Hemisphere in prayerful concern for a spiritual awakening to be experienced in the simultaneous revival meetings next spring. Messengers of this association are therefore urged to see that every church rightly faces this challenge. For details on the Crusade consult the Guidebook for Baptists of North Carolina which has been mailed to all pastors, Sunday School Superintendents, Training Union Directors, WMU Presidents, and Brotherhood Presidents.

In our association the following churches have voted to participate in the Crusade, which is to be either one or two weeks, April 6-20 of 1969:

Bearwallow
Dana
Double Springs
First Baptist H'ville.
E. Flat Rock First
Etowah
French Broad
Fruitland
West H'ville.
Liberty
Mills River
Mount Moriah
Mountain Home
Oak Forest
Refuge
Saluda First
Tuxedo First
Valley Hill
Brightwater

As soon as a church votes to participate, the Associational Chairman of Evangelism should be notified.

Respectfully submitted, George A. Johnson, Jr., Chairman;
Roy Keller, Curtis McCarley

HOMES FOR THE AGING

The past year in your Baptist Homes for the Aging has been one of the most eventful in the history of the Homes. Of primary significance was the opening of the Yanceyville Home on November 1, 1967, and dedicatory services on April 25, 1968, with Governor Dan K. Moore as principal speaker.

When the Yanceyville Home, Accommodating 31 residents, is filled to capacity, the number living in all of our Homes will reach 200. Residents at Yanceyville, Resthaven, the Albemarle Home, the Hayes Home, the Hamilton Home and the Infirmary constitute a large and evergrowing family of elderly people who receive compassionate and tender care.

The waiting list for admission to one of our five Homes continues to grow, but has been revised and is a bit more realistic than ever before. The opening of the Yanceyville Home has relieved the pressure greatly on this waiting list, and persons are encouraged to make application from the various sections of our great State.

Baptists of North Carolina can be grateful for their record in ministering to the residents in their five Homes for the Aging. Recent reports reveal that our Baptist Homes for the Aging are giving more financial assistance to their needy residents than any other denominational Home in North Carolina. About 85% of the residents ministered unto receive assistance through the love gifts of North Carolina Baptists. These love gifts from our Baptist churches come from two main sources: (1) The Special Day Offering, received on the 3rd Sunday of February each year, from which the Homes derive 22 1/2% of their total support; (2) The Cooperative Program from which we receive 12 1/2% of total income. Gifts for 1967 through these two sources were at an all time high and amounted to around $200,000.00. The 1968 Special Day Offering, at this time, is reflecting an encouraging increase. Unless these two vital sources of income are increased considerably, your Baptist Homes cannot be maintained, either on the basis of quality of care, or quantity.

More than in any previous years the ministry of the Homes has been extended beyond the day to day care of the residents to our local churches and communities. Experiences have been shared in more than one Association, in World Missions Conferences, Family Life Conferences, High School classes in Family Living, etc.

Let everyone who is contributing to this great area of human need be grateful to the Lord to be a part of a great denomination that has had the vision to plan for the aging, and is moving forward in meeting the needs of this very deserving group.

Respectfully submitted, Mrs. Horace Pace, Chairman

MISSIONS COMMITTEE

This has been a rather crucial, but challenging, year for our Association. The nature of our experiences throughout the year makes it difficult for your committee to make a report based on statistical facts. It is better told in story form.

However, during the year many meetings have been held. Some of them have been joint meetings with other committees, especially with the Board for the Rescue Mission (on which Board all members of the Missions Committee served), the Executive and Finance Committee. Reports of these meetings are listed elsewhere in this Book of Reports.

A year ago we took over the work of the Rescue Mission. This project was by nature tied in with our regular mission work. It was placed under the direction of a special Board. The Missions Office was moved from the Huggins building on South Main Street to Pine Street to better coordinate the work of our regular and rescue mission ministries and to save on rent. When the Rescue Mission project was deemed no longer advisable and practical, our regular Missions Office was moved back to the Huggins Building where it is now located.

Also during the year our Associational Missionary, Rev. Zeb Baker, resigned to accept the pastorate of a church in Transylvania Association.

Another experience was that of agreement between Carolina and Transylvania Associations to sever ties of missions responsibility and each to promote its own program. Office equipment which we shared on a one-third - two-thirds basis (as we did salary, etc.) was proportionately divided. This was indeed a friendly and harmonious experience.

Now we are on our own as an Association. The transition period has not been easy, but it is being met with a minimum of friction and in the spirit of Christian charity. Questions raised in such times are but normal and are to be expected, but answers are at hand for those who seek them.

Mrs. Surrett, our office secretary, has done an excellent job keeping the office work going and helping to keep the associational ministries coorodinated. Rev. Charles Magnet served a few weeks one day each week at a minimum salary. Several have been most generous in helping on special occasions on a voluntary basis. Much credit is given to our moderator, Rev. George Roberts, Rev. Bobby Seagroves and many others too numerous to mention in this report for unselfish services rendered both in the mission and in the store on Seventh Avenue East.

The churches are to be commended for their faith and patience during this transition period, and for their continued financial support. The financial report will show that the faith has been kept. Some of the churches have already responded in an encouraging manner to the challenge of a new program for our Association. This to be determined during this annual meeting.

Responsibility was given your Missions Committee by the Executive Committee to prayerfully study, try to "blue-print" and recommend a program of action for our association. Such a program was recommended (at least a major part) and the Executive Committee passed it with enthusiasm PROVIDED adequate agreement and support are secured from the churches. This recommendation will be a part of the Executive Committee's minutes and reports.

Your committee is grateful for your prayers, your patience and Christian concern during a transition period when there are so many "ifs" to be worked out. Let us join hearts and hands to make next year and the years to come the best in the history of our association for the glory of Christ and His Kingdom.

Respectfully submitted, Homer O. Baker, Chmn. Missions Committee

BROTHERHOOD

With 17 Brotherhoods reporting in the Carolina Association with about 447 men enrolled, this represents a hub in the communities for constructive work and Missions among men.

With 21 Royal Ambassador Chapters and a total enrollment of 179 we are assured of youth activities in our churches.

Last year our challenge to all Brotherhood Presidents was "commit ourselves to a task of better and stronger organization of men and boys in our church. Also, we were challenged to seek to help another church that now has no Brotherhood organization". There is evidence that we have joined hands and hearts for altering this goal.

Again, let me remind you that on the state level there is a great source of information to all interested in promoting Brotherhood locally. Also, I remind all again about the outlet for advancement at camp Caraway for Royal Ambassadors every summer.

Let us press on to higher and more useful activities for our Master in His Kingdom work at home and abroad.

Submitted in the interest of better Brotherhood work of the Carolina Association by - Roy A. Huggins.

VACATION BIBLE SCHOOL

This has been a good year for Vacation Bible School work in our Association. Although we did not meet our goal of a Bible School in every church, most churches did have a Bible School.

Our churches were well represented by workers who attended the Vacation Bible School Clinic in February.

Respectfully submitted, Mrs. Alex Booth

HISTORIAN'S ANNUAL REPORT

Somewhere on the pages of literature we have found these lines:

"Her greatest greatness is unknown,
Earth knows a little, God the rest."

And so it is in the Carolina Association. We know a little, God the rest.

After a successful and useful tenure of approximately a year and a half, our Associational Missionary, Rev. Zeb D. Baker, resigned to accept the pastorate of the Turkey Creek Church in the Transylvania Association. His resignation was reluctantly accepted. Thus the coordinating of the work among the churches has been affected, although much good has been accomplished through the work of our efficient secretary, Mrs. John Surrett, with suggestions from Rev. Charles Magnet and other members of the various churches. The Carolina and Transylvania Associations now have separate programs, each with plans to call its own missionary. It will be recalled that at our last session of the association it was voted to make the associational year October 1 - September 30, and to hold the annual meeting on the evening of the last Monday in October and Tuesday following.

Of association-wide interest through the year were successful sessions of the Central Training School, The School of Music, Vacation Bible School Clinic, and Sunday School Preparation Week, in addition to the annual "M" Night of the Training Union with an attendance of 360. At this meeting, the attendance banner went to Crab Creek Church while the efficiency banner was won by Mud Creek.

The 1967 association voted to take over the Haven of Rest Rescue Mission and the association offices were moved to a house on Pine St. Although much good was accomplished for a time from this center in aiding the needy, it was deemed the part of wisdom to curtail the work somewhat, operating only from the store on Seventh Ave. East, and moving the offices back to the Huggins Building on South Main Street. However, the needy are being helped through the store, and the association is still prepared to lend a hand to the down-and-out.

Two new churches have been organized within the bounds of the association: Brightwater, on the Brevard Road, with a membership of 78 and Bobby Seagroves as pastor, and East Side, a mission from the Mt. Moriah Church, with a membership of 69 and Waldo Green as pastor. These two churches are now under the watchcare of the association.

Among the new pastors of churches in the association are Rev. H. O. Hearn, who, after serving as interim pastor of the First Baptist Church of East Flat Rock, has become the permanent pastor; Rev. Odell Barnwell of the Fletcher First Baptist Church, and Rev. Andrew P. Webb of the Bearwallow Baptist Church. Present interim pastors are Rev. O. S. Ulmer of the French Broad Church, Rev. Forest Maxwell of Shaw's Creek Church, Rev. Joseph Godwin of Main Street, and Dr. Forrest Feezor of the First Baptist Church of Hendersonville.

The following resignations are on record: Rev. Richard J. Stephens of Main Street Church, Rev. Bobby Seagroves at Shaw's Creek, Rev. Roy Bradford at Bearwallow, Rev. Lyman Wilson at Naples, Rev. M. M. Goss at Hendersonville First, Rev. John Dickson at Mt. Gilead, and Rev. Ray Justice at Mills River.

We are saddened by the passing of four former pastors of various churches of the association: Rev. B. G. Henry, formerly pastor of the Tryon First and French Broad Churches and also head of the Fruitland Bible Institute for ten years; Rev. John E. Blythe who had the distinction of serving as pastor of a dozen of our churches; Rev. Zeb V. Brookshire who had served at five different churches as pastor. We regret also the passing of Mr. B. B. Massagee, Faithful churchman, efficient banker, and friend of all the churches.

Due to the fact that some churches are making reports covering fifteen months and others for only twelve, comparisons in some cases will not be worth much. However, we may get the trend by comparing the figures of the years 1966 and 1967. We note a 1.2% increase in church membership, a 5% decline in Sunday School enrollment, and very little change in WMU and Brotherhood enrollments. The BTU shows a decline of 1.4%, baptisms a 14% increase, while financially, the latter year was 20% better than the former.

It is felt that some of the very best work of the churches is that done in the Daily Vacation Bible Schools. For example, Locust Grove Church, one of our smaller churches, has reported a remarkable piece of work, with Rev. Dan Blackwell as pastor, and Mrs. Roy C. Duncan as principal. Their report shows a standard school, an average attendance of 80, twelve professions of faith, several re-dedications, all followed by the baptism of seventeen people with three more to follow, a majority of these coming as a result of the Bible School.

There is much room for spiritual encouragement in the numbers training for the ministry. Refuge Church has Walter Taylor at Fruitland and Jimmie Cox at North Greenville; Barker Heights has Avery McKinney and Richard F. Ritter at Fruitland and Perry Lee Scarborough at Mars Hill; while Hendersonville First has Gil Crouch at Fruitland, Bill Williams at Mars Hill, and Morris Meador at Oklahoma Baptist University. Doubtless there are others.

The catastrophe of the year was the burning of the beautiful and commodious sanctuary of the Balfour Church. Not to be discouraged, the Balfour people have, in the meantime, carried on in a noble way and are fast rebuilding and restoring their church plant to its former glory.

We rejoice with the Main Street Church at the completion of a most beautiful chapel and educational unit first occupied on October 6, and dedicated on October 13, with appropriate services.

The Calvery people, after selling their property on Grove Street are worshiping elsewhere, while their new church plant is being constructed on Haywood Road.

The following items of interest have been gleaned from various sources: Erowah is busily engaged in the construction of a new educational building.

The pastor at Ebenezer with his family has moved into a new and spacious pastorium, and the congregation is planning a new church building. Oak Forest has completed the second story of the Educational building and has constructed a 30-60 recreational court for her young people. The Bat Cave church recently held an organ dedication service. Refuge has installed cushions on the church pews and has established a memorial fund for a set of chimes. The Fruitland Church is planning a new auditorium. Naples is retiring its building fund debt and has raised a $1,000 building fund for a parsonage. Bearwallow church recently celebrated its centennial and honored former pastors. The church building has received an outside coat of paint, and a new sign of rock and marble displaying the name of the church has been installed through the contributions of members and other friends of the church. Fruitland Institute graduated 32 seniors at the end of the term. The State Convention has broken ground for the addition of a $250,000 building to the plant at Fruitland. The Shaw's Creek Church has installed a new organ and has done considerable renovation on the interior of the building. The Horseshoe Church has done a very commendable deed in placing the Biblical Recorder in every home.

We were fortunate in having a representative, Mr. C. M. King of Hendersonville First Church at the Laymen's Congress in Sao Paulo, Brazil, which was planning for the Crusade of the Americas in 1969.

These and many other accomplishments not reported should cause us to take a fresh courage. I know of no better way to close this report than to quote from a recent message from our moderator, Rev. George Roberts: "The future looks good for the Carolina Association. Let us look up and heed the command of our Great Commander. He is saying to us, "Go Forward".

Respectfully submitted, C. F. Jervis, Historian

AMERICAN BIBLE SOCIETY

For many years a significant part of the support for the work of the American Bible Society has come from the churches of the Southern Baptist Convention.

Each year the Southern Baptist Convention adopts a denominational calendar with suggested emphases and events for Baptist churches. Each year the calendar concludes with this important note: "At some time during the year, emphasize the service to all types of Southern Baptist work, at home and abroad, which the American Bible Society renders by supplying the Scriptures, without profit and usually below cost, and explain its need for contributions from the churches."

At a recent meeting of the Convention the following statement was contained in a special resolution adopted: "We fraternally urge all our churches and our people to make worthy contribution to the work of the American Bible Society, in order to provide the Scriptures needed for the missionary advance to which we are committed.

The Society received many letters from those who are discovering the Scriptures for the first time. One typical letter is as follows:

"I have read the Book of Mark five times attentively.
How many Books do you have? Please send them to me.
I hope that your Book will give light to my life."

This simple message, from a boy whom we know only as Ricardo of Bogota, reveals the need of men everywhere for the Book of Life.

The American Bible Society is publishing the entire Bible or parts of it in over 1,216 different languages and dialects. More than 1,000 languages and/or dialects remain in which no part of the Bible has yet been published. The Society's ultimate objectives at home and overseas are:

1. A Bible in every Christian home.
2. A Testament in every Christian's hand.
3. A Scripture portion for every reader.
4. An opportunity for those who care to share God's Word.

I hope that many churches in our Association will be able to make some substantial contribution to the American Bible Society this year.

Respectfully submitted, John Rymer

REPORTS

GENERAL BOARD REPRESENTATIVE

The function of the General Board is to carry on all business transactions of the Baptist State Convention during the year when the convention is not in session. The Board is made up of six committees: Stewardship, Evangelism, Church Programs, Christian Higher Education, Social Services, and Missions.

The January meeting is an organizational meeting at which time officers of the Board and chairman of the various committees are elected. The Executive Committee is made up of President of State Convention, First and Second Vice-Presidents of the State Convention, President of the General Board and Chairmen of the various committees. Five members at large are elected to the Executive Committee, in keeping with the Constitution.

Among the many things considered by the board during the last year, we call your attention to a few of special note:

A. The final inspection and acceptance of the new auditorium at Caswell.

B. The Executive Committee approved a recommendation that the old auditorium at Caswell be air conditioned as funds were available. The cost would be approximately $3,922.00. This would provide eight air conditioned class rooms.

C. That the Trustees of the North Carolina Baptist Hospital, Inc., be empowered to borrow $400,000.00 or sign a note up to $400,000.00 in order to satisfy the lending agency. That this loan be repaid from current revenues of the hospital and from general income available to the hospital, with balance at the end of the current year to be included in the budget of next year.

D. A department of Chaplain Ministries in the Division of Missions. A job description and guidelines for this department were set up. The budget for the Department of Chaplain Ministries is to be $17,750.00--nine months required in 1969 or $15,306.00.

E. Mr. Spencer reported that the Cooperative Program income for 1968 exceeded that of 1967 by $199,189.04. This represented an increase of 3.32% over the preceding year.

F. All committees of the General Board seemed to be diligent in their work and in giving of their time and concern throughout the year, as reflected in their reports to the Board.

G. The members of the Board joined in sending a message to Mrs. Gilmer Cross and Mrs. Charles Hellard (daughter) concerning the home-going of Mr. Cross, former President of the General Board, and Chairman of the Executive Committee.

Respectfully submitted, C. H. Greene

SUNDAY SCHOOL

We express appreciation to Brother Charles Magnet for the fine work he did before leaving our Association.

Your Superintendent attended the State Briefing Meeting in High Point, and received much valuable information about the present work of our Sunday Schools, and also received information about the plans and programs beginning with October, 1970, and the years to follow.

We had our Sunday School Action Night on September 9, at the Ebenezer Church. The attendance was fine, but there were so many churches that

were not represented. There is so much good help for the Sunday Schools, yet so many of you have not taken advantage of all that is being offered to you.

Every church should take advantage of Preparation Week and the materials that will help a Sunday School to study its own program and plan the enlargement that is necessary to reach people for Bible study and lead them to a knowledge of Jesus Christ as Saviour, Lord and Master of the total life.

The New Group Grading Plan

The Group Grading Plan will have only four departments: (1) Pre-school Department, ages birth - 5 years; (2) Children's Department, grades one (1) through six (6); (3) Youth Department, grades seven (7) through twelve (12) or high school graduation; (4) Adu't Department, high school graduate or 18 years and up. A Sunday School may have as large or as small an organization as needed.

After October, 1970, the Sunday School Superintendent will be called the Sunday School Director.

As at this present time there will be two (2) series of periodicals (literature) from which a Sunday School may choose. There will be the Life and Work and the Uniform Lessons.

February 16 and 17 are important days for our Sunday Schools. This is the time for our "70's Onward Clinics". Nine of our people will be trained to help all departments of our work understand the changes that are to be made in October '70.

We are planning for a Central Training School, March 16 - 19, and we believe that every Sunday School in the Carolina Baptist Association should plan to have a large number of people in attendance.

Respectfully submitted, C. M. King

CHURCH TRAINING

The facts in this report were furnished by the Rev. Bobby Seagroves, who served faithfully as Associational Director for most of the year.

As you will observe, the name of Training Union has been changed to Church Training, and is still in the process of undergoing another change.

The 1968 "M" Night was held in the First Baptist Church of Hendersonville on December 9, at 7:30 p.m. Dr. W. R. Wagoner, President of Baptist Children's Homes of North Carolina, was the speaker. The total attendance was 340. Twenty pastors were present, 18 Church Training Directors, and 27 churches were represented.

Associational Youth Night was held in the Valley Hill Baptist Church, March 15, 1969, at 7:30 p.m. There were 103 people in attendance. The Rev. Ian Walker brought the inspirational message. The youth officers elected for 1969-70 were: Tim Reese, of First Baptist, Hendersonville - President; Gary Pace, of Saluda Baptist - Vice-President; Heather Walker, Lucille Ward, and Tona Lawter - Committee Members.

Church Training tournaments were again this year an important activity in the Association. The Associational Tournament was held in Main Street Baptist Church on March 23, 1969. There were 12 Juniors in the Junior Memory Work, 3 Intermediates in the Sword Drill, and 1 Young Person in the Speaker's Tournament, and 2 adults in the Scripture Reading.

On April 3, 1969, the Regional Church Training Convention was held in the First Baptist Church of Burnsville. Our Association was runner-up in the Adult Scripture Reading Tournament, first place in the Young People's Speaker's Tournament, first place in the Intermediate Sword Drill, and most of the Juniors were winners in the Junior Memory Work. Your

Associational Missionary and Church Training Director attended the Convention.

Regional Convention winners from our Association participated in the state tournaments. Three of the Juniors won their fourth consecutive year in the Memory Work Tournament. This is the maximum for a Junior.

WOMAN'S MISSIONARY UNION

The changes and choices of the past year may have left a puzzled look on a few faces, at the same time it has caused us to straighten our shoulders and quicken our steps to keep up with the happenings. Our women participated in two Associational-wide leadership courses in addition to their regular quarterly meetings. Seven W. M. S. Associational officers attended the area leadership conference in August, at Hickory, where they were re-charged to return to teach our local ladies. Some of our women attended parts or all of the South-wide W. M. U. Conference at Ridgecrest, and some were priviledged to take in the state meeting in Charlotte.

The Y. W. A.'s and G. A.'s of our Association are well organized and with their capable directors they have held quarterly meetings that were a lift to all who attended. Our Sunbeams have a blueprint of things to come that includes retreats for directors and day camp for the children.

Your W. M. S. Director has made herself available to any church who might desire her help in new organizations or to strengthen the old ones.

Two mission projects have been carried out by the associational W. M. U. The purchase of drapes for the new Associational Mission office and the placing of thirteen of the Mission Action books in the office to be used by any church that needs them.

We operate under a separate budget with the excellent help of Mrs. Alex Booth, our Secretary and Treasurer. She gives the following report:

Balance on hand----------	$149.08
Received from offerings, expense funds and WMU History---------	$176.68
TOTAL----------	$325.76
Expenses for the year----------	$260.30
BALANCE----------	$ 65.46

Most of our women look forward to the "Shaping of the Seventies". We are oiling our lamps and trimming our wicks to be helpers in making this the best year ever in His vineyard.

Respectfully submitted, Mrs. Guthrie Colvard

ANNUITY BOARD

May I challenge every church of our Association to take another look at insurance protection for your pastor. Laymen should take the responsibility to see that no pastor or his family is left without income in the event of retirement, disability, or death.

What are the bare necessities a pastor and his family need? The pastor needs life insurance on himself. He needs hospital insurance on his entire family. Finally, he needs retirement, disability, and widow benefits, if he is married. These are minimum.

The Annuity Board of the Southern Baptist Convention provides all of these. It would be wise to consider what it offers. Procrastination could be dangerous. Now available from the Annuity Board are the Southern Baptist Protection Plan for retirement and disability; the Health Benefit Plan for hospital coverage; and the new Group (Life) Insurance Plan.

Many of our pastors are already participating in the Protection Plan and the Health Benefit Plan. The Health Benefit Plan provides hospital,

surgical and major medical benefits.

The new Group (Life) Insurance Plan opened October 1, 1969. It takes the place of the Life Benefit Plan, which some of you have now and previously offered since 1964. Members in the Life Benefit Plan will have an option of remaining in it or transferring to the new Plan.

A new film and filmstrip is available on the work of the Annuity Board. The film is entitled "When the Messenger Turns to Go Away." The title of the filmstrip is "Those Chosen Men." They may be ordered from the state office or the Annuity Board Office in Dallas, Texas.

The Rev. Guy Cain is Annuity Representative in North Carolina. If you are interested in obtaining further information, you may contact Mr. Cain at 301 Hillsboro Street, Raleigh, N. C., or write the Annuity Board, SBC, 511 North Akard Building, Dallas, Texas.

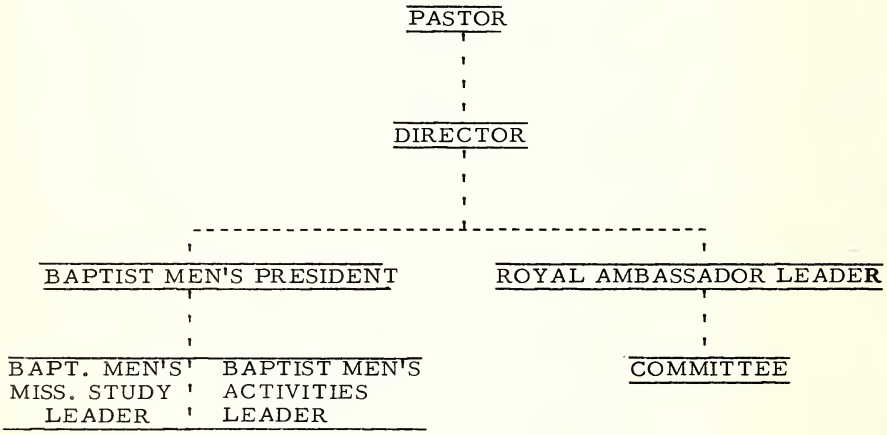
BROTHERHOOD

Suggested Pattern for Brotherhood beginning October 1970:



The Carolina Association now has recorded 16 Brotherhoods. We feel that many more of the churches if analyzed would now be qualifying as having Brotherhood activity. Lay groups are doing some mission work and even mission study. Laymen are working with boys.

The above outline will give each church opportunity to analyze their activities now in Brotherhood. As you will note, the Director is responsible for Brotherhood activities in the church and also will be related to the church council and Pastor in the same Capacity as Training Union Director and Woman's Missionary Union Director. The Nominating Committee will want to fill these offices. Then the Director can get busy in completing the Brotherhood work of his church. After doing so, report should be made to the undersigned Associational Director and he in turn will be available for any assistance.

Sincerely yours for better Brotherhood,
Roy A. Huggins

MUSIC

This is the first year to my knowledge that we have had a music report included in the Annual of the Carolina Baptist Association. None appearing for the last seven years at least. We certainly hope that the report next year will indicate a more ambitious year in music. Especially since we will be into the '70's Convention program.

This past year was marked by several meetings of representatives from various churches. We had an Associational School of Music which was planned by these meetings. A Carol Sing was all but cancelled due to the very cold night on which it was scheduled.

We maintain close relations with the State Music Department, Mr. Charles Gatwood being in charge of the Associational work.

Choirs from the association participated in four choir festivals. Also, a group of twenty-five attended the music week at the North Carolina Baptist Assembly, Southport.

Dave Causey, Associational Music Director, attended a state briefing meeting with our District Director, Mr. Al Mellnik, to discuss plans for the coming year.

We hope we may be able to aid the strengthening of many of our churches and their music programs. Please call me if I may be of assistance to any church.

Respectfully submitted, Dave Causey

NORTH CAROLINA BAPTIST FOUNDATION, INC.

The assets of the North Carolina Baptist Foundation, Inc., have now reached beyond the one million dollar ($1,000,000) mark, including trust funds and real estate. Since the reactivation of the Foundation, around 1962, the total assets have increased from $350,000 to the present excess of slightly over one million. This is positive proof that the Baptists of North Carolina have discovered that the Foundation is really a service arm of the Baptist Convention of North Carolina.

As mentioned above, the Foundation renders a service to: (1) God; (2) individual Baptists, and (3) Baptist agencies and institutions. Every Baptist has an opportunity through his Foundation to provide for continuing stewardship in agencies and institutions in which he has an interest.

The Foundation has again this year put particular interest upon the making of wills. Several of our churches have used the facilities of the Foundation to conduct Will Clinics and reports from these clinics indicate that they were most successful. We have also had an opportunity to counsel with many people concerning their own wills, and in some instances we have provided the information and direction necessary for inclusion of Baptist causes in their will.

We have had a most successful year and can attest to the fact that the Foundation is on the move and is rendering service to individual Baptists in a most concrete way.

By C. Gordon Maddrey, Executive Secretary

ASSOCIATIONAL MISSIONS

The highlights of this past year are as follows:

1. The calling and moving on the field of Rev. Guthrie Colvard, Pastor of First Baptist Church, Pahokee, Florida, as Superintendent of Missions.

2. The relocation of the missions office - now in the Staton Building in downtown Hendersonville.

3. Bringing the Mission Store on East 7th Avenue under the direction of the Missions Committee. This was done by the Executive Committee in a regular session. Since that time we have placed adequate signs on the store for easy recognition. This association is deeply indebted to Mrs. Irma Roberts and those who have helped her with the work to bring this operation almost out of debt and make possible a yet broader ministry to the needy. Our Moderator has worked tirelessly and unselfishly to make this possible. Our thanks to him and members of the Missions Committee and others for much "free" service. The store can use such items as: shoes (especially for men), dishes, kitchen utensils, furniture, clothing and etc. Anything that can be used by a family - but items must be clean and useable.

Respectfully submitted, Homer O. Baker, Chmn.

SUPERINTENDENT OF MISSIONS

With the end of September we closed seven months of work in the Carolina Baptist Association as Superintendent of Missions. We have been in a total of 41 of the 58 churches during this time.

It has been our privilege to preach in the churches of the Association 54 times. There have been 17 other services in which we have had a part. We have also had a part in 44 meetings on the associational level. A number of these we have planned and conducted.

In addition to the work within the Association there is the part that we have had in the State and Southwide meetings all of which relate to the work we are trying to do here in the Carolina Association. There have been 14 of these meetings that we have attended, some for a part of one day, and three were for an entire week.

There have been some professions of faith and some have joined the churches when we were in their services, but these are a part of the local church outreach.

We have driven a total of 12,191 miles during these 7 months, with 10,520 of those miles driven in the work for the Association.

The change of the office to the Staton Building at Church and West Fourth Avenue has been a help to many of our people. Many more have been able to drop in to see us and talk about the work of the Association. We are happy to see you any morning, Monday - Friday, from 8:00 - 12:00.

Our thanks to Mrs. Surrett for her great help in carrying on this very important work for our Lord and Master Jesus Christ.

Mrs. Colvard and I thank you for allowing us to serve our Christ here in the Carolina Baptist Association.

Respectfully submitted, Guthrie Colvard

COOPERATIVE PROGRAM

When the word "stewardship" is used, most of us begin to see dollar signs $ $ $! If we think of stewardship only in terms of money, we miss the mark in our concepts. Stewardship means responsibility--responsibility in all areas of life. We are stewards or trustees of our time, our talents and our abilities. The Christian attitude is that we are responsible beings and must one day give account to our Maker for all that God provides.

The worship of God with tithes and offerings through our churches provides a way for expressing our gratitude for His blessings.

The Cooperative Program is the main channel for supporting World Missions, Christian Education, Social Services and an ever expanding State Mission Program. The North Carolina Baptists' goal for these causes this year is $6,750,000.

The churches of the Carolina Association last year gave a total of $97,377.00 through the Cooperative Program. This year our total reported

is $101,544.00.

As dedicated Christian stewards, will you try to lead your church:

1. To use a stewardship program to help subscribe your own church budget?
2. To increase the percentage of the offering plate dollar given through the Cooperative Program?

On your invitation we stand ready to assist in every way possible.

Respectfully submitted, Woodrow Maxwell

STATE MISSIONS

Our State Missions Department has just had its best year yet. The Special Offering for September, 1968, topped the $200,000.00 mark for the first time and the goal for 1969 has been increased to $250,000.

Fruitland Baptist Bible Institute, which is supported by our State Missions Department, dedicated their new Library and Administration Building and special funds for remodeling the older facilities have been allocated and much work has been done in improving these facilities. Fruitland continues to be a great asset to North Carolina Baptists in training ministers who otherwise would not have an opportunity to better qualify themselves for the ministry.

Other areas of special interest have been in the work of the Cherokee Baptist Child Care Center, which strives to bring family unity through Christian Service; Pastoral Aid to churches wishing to go into a full-time ministry has proved to be an asset in every way. Churches interested in this program are encouraged to contact the Town and Country Missions, Department of State Missions.

The Summer Mission Bible Schools have again had a successful summer and the department is looking for new areas of service for next summer. The area of Resort Missions has been very active this year with many new areas of service added. The Chimney Rock-Lake Lure area was added to the list this summer. The work there included a Saturday night "Happening" with youth groups singing Gospel and Christian Folk songs followed by a Christian film (mostly Moody Bible Institute films). The Sunday morning, 9:00 a.m., worship service which was also held by the Lake Lure boat landing attracted from 70 - 100 worshippers each Sunday. Visits were made to all the camp grounds in the area to invite the campers to the special services. This and the other Resort Missions efforts are presently under study to evaluate results and study new methods of ministering to this ever-growing area of work.

Any way that your church can be assisted by or that you can help our overall State Missions effort will assure the continued growth and ministry of our State Missions work.

Respectfully submitted, Andrew P. Webb

HOME MISSIONS

Our Home Mission Board operates in twelve program areas, namely:

1. The program of Evangelism
2. The program of Chaplain Ministries
3. The program of Church Loans
4. The program of Associational Administration Service
5. The program of New Churches and Church-type Missions
6. The program of Pioneer Missions
7. The program of Rural-Urban Missions
8. The program of Metropolitan Missions
9. The program of Language Missions
10. The program of Work with National Baptists
11. The program of Christian Social Ministries
12. The program of work related to Non-Evangelicals

During the past year, more than one thousand Associational rallies were held in connection with the Crusade of the Americas. One hundred and seventy-five thousand dollars was spent on half hour telecasts during the spring of 1969.

Another major emphasis was the establishment of new Churches in Project 500. After selections from one thousand and one hundred applications, more than one hundred and fifty of the five hundred projections were started (30% of the goal within 40% of the time). Because of inadequate funds the project was slowed down, and many of those started were begun without financial help.

The board has also given major emphasis to implementation of "a statement concerning the Crisis in our Nation". Following Convention direction in 1968, the Home Mission Board called two meetings of agency personnel, both to inventory present actions and to project plans for reaction to the Nation's Crisis. The Board established a special committee to seek ways of response. All program leaders have directed personnel and funds toward acute areas as needed.

Of interest, also, is the leasing of a seven-story, newly constructed building in uptown Atlanta, with option to buy for one million, five hundred and sixty-three thousand dollars in 1972.

During the year we lost eleven of our Missionaries by death.

Statistical Summary

Number of workers (including summer workers)	3,282
Gain in Missionary Personnel	119
Professions of Faith	66,575
Additions to Churches	30,448
New Missions started	434
New Churches constituted	151
Southern Baptist Chaplains on active duty (Military)	986

FOREIGN MISSIONS

Jesus words concerning missions are these: ". . .The harvest truly is plenteous, but the labourers are few; Pray ye therefore the Lord of the harvest, that He will send forth labourers into His harvest." Matt. 9:37-38

The ultimate purpose underlying all our missionary endeavors is the leading of people to new life in Jesus Christ. During 1968 Southern Baptists experienced the largest number of missionary appointments in any previous year in the Board's history. Statistical reports of work in 69 countries reflect blessings throughout the world in ministries of evangelism and church development. Evidence of these blessings is that there were 50,003 baptisms in 5,154 churches and 6,974 mission points.

The Foreign Mission Board, in 1968, authorized the entering of three new fields - Angola, Senegal and Egypt. Missionaries are already located in Angola, and those for Senegal and Egypt are awaiting full clearance for residence and work. Let us pray that God will give the "open door".

After a record year of 247 appointments, the total missionary staff at the end of 1968 stood at 2,371. This figure includes 119 missionary associates, 122 journeymen and 3 special project nurses. Net personnel for the year was 94.

In the words of Dr. Baker J. Cauthen, Executive Secretary, "The Foreign Mission Board is grateful for financial undergirding through the Cooperative Program. Sustained advance requires an increase in operating funds of $2,000,000 annually. The Board believes that Southern Baptists deeply desire to honor the Lord by pressing forward with wider and more

effective world-wide witness in the forthcoming decade, which is filled with both opportunity and peril."

Jesus said concerning Christians, "Go ye into all the world and preach the gospel to every creature." Mark 16:15. Let us pray earnestly that many will answer him with these words, "Here am I, Lord, Send me."

Respectfully submitted, Carl F. Mintz

HISTORIAN'S REPORT

In this report, due to the fact that the date of the sessions of the Associational year was changed from August to October last year, no statistical comparisons will be attempted, further than to state that apparently the number of baptisms and the amount of contributions have increased considerably over previous years. It might also be added that only 43 churches reported last year, this being six fewer than the previous year.

Rev. Guthrie Colvard came to us around March 1, as Superintendent of Missions. He has begun his activities by visiting in many of the churches, conducting revivals, and taking part in various conferences and clinics. He is ready to answer the call of any of our churches as time permits.

We note the following resignations since last report: Rev. Henry B. Stokes at Tryon First; Rev. Charles E. Magnet at Oak Forest; Rev. Roy Keller at West Hendersonville; Rev. Zeno Green at Pacolet; Rev. Joe Holbert at Broad River; Rev. Homer Baker at Mt. Moriah, Rev. Marion Williams at Dana and Rev. Herman Hicks as associate at Hendersonville First.

We record the following new pastorates: Rev. James Ballard at Main Street; Rev. D. D. Hall at Mt. Gilead; Rev. Ian H. C. Walker at Hendersonville First, Rev. Billy B. Brackett at Barnwell; Don Pace at Brickton; Rev. J. R. Collins at Naples; Rev. Guy W. McCarley at Dana; Rev. Homer L. Crain at West Hendersonville; Rev. Richard Sawyer at Broad River; Rev. William Douglas Cole at Tryon First; Rev. Daniel P. Stiles at Brightwater; Rev. Zeke Campbell at Mills River; Rev. Eugene Schuyler at French Broad; Rev. Herman Hicks at Mt. Moriah.

We rejoice at the return to Oak Forest of former Pastor, Rev. Charles Magnet.

We rejoice with the Balfour people upon their entrance into their beautiful rebuilt sanctuary, and with the Calvary people for their beautiful church plant on the Haywood Road.

Note the following improvements:

Ebenezer has broken ground for a new sanctuary and educational building and has dedicated a parsonage debt-free; Etowah has dedicated a new educational building; Mt. Olivet has broken ground for a new building; Tuxedo First is preparing for a new structure; East Flat Rock First has purchased land for new educational buildings and other improvements; Brightwater has bought three acres of land for building a church plant; Barker Heights has installed a new organ; Hendersonville First has purchased a pastorium and has had the sanctuary air-conditioned.

Other items of interest:

We congratulate the Refuge Church upon sending their Pastor, Rev. George Roberts to the Holy Land and other interesting places (other churches take notice); We congratulate Rev. and Mrs. M. L. Lewis upon their sixty years of married life (Mr. Lewis has served many of the churches of the association as Pastor); We congratulate Fruitland, Etowah, Horse Shoe and Oak Forest upon the standard Vacation Bible Schools.

The new administration building at Fruitland has been named in honor of the beloved Dr. J. C. Canipe, formerly head of the Fruitland Baptist Bible Institute, a pastor at Valley Hill and President of the Baptist State Convention. Shaw's Creek has recently licensed Charles Cook to preach the Gospel. Likewise, Jerry H. Sherman has been licensed by the Locust

Grove Church, this being the first such occurrence in the life of the church, and the Mud Creek Church has ordained to the ministry P. Thomas Canady.

Hendersonville First celebrated its 125th anniversary on October 5. Former pastors, Daniel and Seigler, were chief speakers for the occasion. Many of the Churches of the Association participated in the Crusade of the Americas, with the results being fairly successful. In the Better Minutes Contest, our minutes won a rating of Outstanding Plus.

We lament the passing of Mr. R. G. Anders, for thirty-two years Superintendent of Henderson County Schools and a long time Baptist leader. He had earned the title of "Mr. Sunday School Teacher". Also, the death of former Valley Hill Pastor and Associational Missionary, Rev. Thomas E. Thompson, brings sorrow to his many friends.

Have you had your records microfilmed? If not, communicate with Mr. John R. Woodard, Jr., Box 7777, Reynolds Station, Winston-Salem, N. C., This will be done free of charge. Burned buildings destroy valuable records.

Our Associational office has been moved to new quarters in the Staton Building, Room 203, at the corner of Church Street and Fourth Avenue West. Please report all items of interest to Mr. Colvar, Mrs. Surrett, or to the historian.

Respectfully submitted, C. F. Jervis, Historian

TEMPERANCE AND PUBLIC MORALS

There is no greater problem facing the American people today than the social problem of liquor and morals.

Dr. Valentine, Executive Secretary of the Southern Baptist Convention Christian Life Commission says, "The moran permissiveness which sweeps over the land today like an all-pervading nerve gas of immorality is clearly going to have some devastating effects in the 70's--if the world stands. In fact, it is already having some devastating effects. Moral permissiveness may very well be responsible for some of the crime, violence, campus revolts, the burning down of our cities, the looting and pillaging and the rejection of authority. My conviction is that having sown the wind in the 60's our culture and our country will reap the whirlwind in the 70's.

We are already reaping the whirlwind, when 1000's of our young people are smoking "pot" and sex crimes are increasing at a rapid rate, 6,000,000 alcoholics and another 63,000,000 problem drinkers, more bar maids than college girls and crime increasing every day. Some recent headlines in the newspapers, "Most Marijuana in U. S. is Brought in From Mexico", "Marijuana Is As Easy To Purchase As Chewing Gum", "Marijuana Users in U. S. Number in the Millions". In October 7, 1968, issue of U. S. News and World Report, J. Edgar Hoover, F. B. I. Director says, "Criminal violence is exploding into the most serious domestic crisis facing this country. F. B. I. figures show an ominous surge in crimes, riots and brutality nearly everywhere, especially among teenagers and young adults." Crime in the U. S. rose 21% during first six months of 1968. Violent crimes of murder, forcible rape, robbery and assault increased 21% as a group. Armed robberies increased 34%. Assaults with firearms - 28%.

Murderers, muggers, rapists, thieves and hoodlums stalk our streets in such frightening numbers that fear of venturing outside our homes at night is becoming the fact of American Life.

There were 4,589,000 serious crimes committed in America in 1968 and 1969 will show an increase over these figures. Over eleven billion dollars was spent for alcoholic drinks in 1968 and only about $3,000,000,000 by all denominations for Christian work. No wonder the devil is getting the upper hand. Movies, stage shows and television has become so filthy and vulgar all Christians should avoid viewing them.

If everyone who calls himself a Christian would refuse to participate in the things of the world, we could change the course of history and bring this nation of ours back to a standard of decency and back to God. If we do not, this nation is doomed and the judgement of God will soon fall. The moral condition of America cries out for judgement. The Lord is patient and long suffering but He won't forever hold back His judgement of sin. "Come Ye out from among them and be Ye separate," saith the Lord. "Touch not, taste not, handle not."

We call upon all the members of our churches to take their stand against the evils of our day. Let us rededicate ourselves to God and pray, that the judgement of God come not upon our nation.

Respectfully submitted, H. O. Hearn

EXECUTIVE COMMITTEE

December, 1969:

The Moderator called a special meeting at 7:00 p.m. just prior to the "M" Night meeting at First Baptist Church. Brother C. H. Greene presented a resolution opposing any liquor legislation by the North Carolina General Assembly. After some discussion and some minor changes in the text, the resolution was adopted and the meeting adjourned.

Respectfully submitted, John Rymer, Secretary

February, 1969:

The Executive Committee met for its regular business meeting in the associational office February 7, 1969, with the Moderator, George Roberts, presiding. Brother Ian Walker, new pastor of the First Baptist Church, led the group in prayer.

Minutes of the previous meeting were read and approved. A report was given that the East Side Baptist Church was no longer functioning as a church. Brother Homer Baker gave a recommendation from the Missions Committee that the Association extend a call to Rev. Guthrie Colvard as our new promotional secretary. Considerable discussion followed and the group voted to extend the call.

The committee also voted to endorse the application of the Brightwater Baptist Church to the General Board for financial aid of $1,000.00 for the pastor's salary. After several announcements concerning the current activities of our Association, the meeting closed with prayer. Churches

represented were as follows: Balfour, West Hendersonville, Etowah, First Baptist, Mt. Home, Brightwater, Valley Hill, Mud Creek, Mt. Moriah, Refuge, Oak Forest, Fruitland, Bearwallow, Pleasant Grove, Main Street and Saluda.

Respectfully submitted, John Rymer, Secretary

April, 1969:

The Executive Committee of the Carolina Baptist Association met at the Associational Office Monday evening, April 21, 1969. John Rymer, the acting Clerk, presided in the absence of both the Moderator and Vice-Moderator.

The meeting opened with prayer and the minutes of the last meeting were read and approved. Mr. Colvard had several items of general interest which he discussed. A "thank you" note for kindnesses extended was read from the family of our Associational Secretary whose father passed away recently. A motion was passed to pay Bro. Colvard $217.00 for additional expenses incurred in moving and getting permanently settled in our area.

Mrs. Colvard was approved to represent the Association at the Associational Clerk's meeting during Home Mission Week at Ridgecrest, August 14 - 20, 1969. It was announced that Brother Colvard would automatically become Clerk of the Association by virture of his office after tonight's meeting.

A motion to adjourn was passed and Bob Graham led the group in a closing prayer.

Respectfully submitted, John Rymer, Secretary

July, 1969:

The Executive Committee of the Carolina Baptist Association met at the Fruitland Baptist Church on Monday evening, July 7, 1969, at 7:30. The meeting was called to order by the Moderator, Rev. George Roberts. After a prayer the minutes were called for, but through an oversight on the part of the clerk, were not given.

The Superintendent of Missions gave out information about several important events that are before us in the next few months. A partial Vacation Bible School Report was given. An annoucnement was made with regard to the migrant worker that had just arrived. He is Charles Hayes of Rocky Mount, N. C.

The Nominating Committee made a report about replacements and new department heads for the coming year. This brought on some discussion about the Constitution and By-Laws. The proper committee was asked to look into this and suggest changes that need to be made.

The motion was made, seconded and passed that the Missions Committee be made the Board of Trustees for the Mission Store on 7th Ave.

The meeting adjourned with prayer.

Respectfully submitted, Guthrie Colvard, Clerk

MISSION STORE

As a means of serving low income families in our area the Carolina Baptist Association is operating a mission store. It is located on Seventh Avenue in the 300 block. Mrs. Alfred (Irma) Roberts is the manager.

Minimum charges are made if the customer is able to pay, but if the need is evident and the person or family cannot pay anything, help is given without charge. Everything that comes into the store is donated by interested people. There seems to be more need for furniture and appliances than the store can meet. Anything that can be used is welcomed. When necessary, the store manager can arrange for picking up contributions of great weight.

Even with the very low charges, Mrs. Roberts has gotten the store on a very sound financial structure. From receipts she has paid $1,600.00 on the indebtedness incurred by the Mission on Pine Street (which was discontinued several months ago). The rent on the Seventh Avenue building has been paid through next month. And, at this writing, there is a balance in the bank of more than $300.00.

From now on the store will be operated under the Associational Missions Committee. A new sign is being prepared at this time. Since this is a worthy means of service to the needy people in our area, it seems good to encourage support for it. Contributions of clothing, furniture and applicances will be welcomed and well used.

Respectfully submitted, Alex L. Booth, Jr.
Chairman of the former Mission Board

MIGRANT MINISTRY

The Migrant Ministry in the Carolina Association had one of its most fruitful experiences during the summer of 1969. With the financial cooperation of many of our local churches and the Baptist State Convention, we were able to have Mr. Charles Hayes of Rocky Mount, N. C., to work as migrant minister. Through his leadership, a weekly evangelistic film ministry was carried out in the camps. Also, Vacation Bible Schools were held for each of these migrant groups.

To supplement this ministry, the Home Mission Board provided health kits (which were donated by church groups throughout the convention), gospels, and New Testaments for distribution.

One of the most gratifying signs this year was the greater number of churches which worked with the migrants. The spirit of cooperation and financial support revealed a growing concern among our people to share the gospel with this special group in our area.

The Migrant Committee wishes to express deep appreciation to all the churches who gave support to this work.

Respectfully submitted, B. D. Graham

BAPTIST HOSPITAL

The opportunity of serving persons created in the image of God is a high and holy privilege. We reach out the hand of love and mercy through the skilled and dedicated hands of our doctors, nurses, chaplains, and many others who are involved in this great ministry to the total person.

In the face of serious financial problems, the hospital staff is working more diligently than ever to minister to our people in keeping with their needs and to the limit of the hospital's resources.

The hospital has instituted more efficient admission procedures regarding patients' financial resources and plans for payment of hospital bills. Trained counselors are interviewing patients and their families regarding advance payments which are now required and for getting more accurate information on those who will need help. In this way they are better able to discover those patients who may be eligible for medical care assistance through Social Services departments or other health agencies. These agencies pay a major part of the cost for a patient they certify, but not the total cost, and the Mother's Day Fund must pay the balance.

If it were not for the help which comes from these health agencies, our Mother's Day Fund would not last for three months. After paying the difference between what the agencies pay and the total cost for these patients, the Mother's Day Offerings are used to help as many as possible. The free care the hospital gives must now be limited in keeping with the funds provided for this purpose.

It is important that our people understand that all of the Mother's Day Offerings and designated gifts for this ministry are used for this purpose alone. The Trustees and Administration of the hospital are most grateful for the fine cooperation our pastors and our people are giving.

Record for 1968

Total number of bed patients	18,682
Number of patients in service and private clinics	31,959
Number of patients seen in Outpatient Clinic	16,188
Total visits to Outpatient Clinic	95,295

The cost of free care provided for service patients amounted to $1,130,013.00. This does not include the service paid for by welfare and health agencies and the Duke Endowment. It does not include professional care provided by our medical staff without charge to the patients. This free professional care would amount to more than $1,500,000 if normal charges were made.

The records show that from January through July, 1969, thirty-nine churches in our Association gave $4,644.07.

AMERICAN BIBLE SOCIETY

Whenever the American Bible Society publishes the Scriptures, whether it is the whole Bible, the New Testament, or even a Scripture portion in a new translation, it is to make it easier for someone somewhere to read and understand God's word.

To minister to special groups, you will find appropriately selected, translated and designed Scriptures for the blind, for campus ministries, for the inner city, for the ill and handicapped.

For 151 years the American Bible Society has published and distributed the Scriptures in more than 600 languages and dialects throughout the world. Right now with Bible Society counsel and financial assistance, more than 3,000 translators in 150 countries are translating and revising the scriptures. Thus far, at least one book of the Bible has been translated and published in more than 1,300 different languages and dialects.

The Society sells Scriptures in the United States below the full cost. Since the American Bible Society provides the Scriptures to all who desire God's Word, regardless of ability to pay, the Society as its funds permit, gives Scriptures to those who cannot afford to pay anything. This work is possible by voluntary gifts from churches and individuals.

Every new idea for furthering God's Word has its source of inspiration. There were 1,075,208 individual gifts, seventy-three denominations contributed to the work. Southern Baptists gave $222,937.45 more than any other denomination to the American Bible Society.

HOMES FOR THE AGING

The information in this report comes from the office of the Homes for the Aging in Winston-Salem.

Never before have your Baptist Homes for the Aging been more conscious of the Lord's presence and His Goodness than during the past year. At a time when a deficit loomed larger by the moment and when the weather was severe on the 3rd Sunday of February, the day of the special offering, the churches came through with an offering that promises to be the greatest in the Home's history. The Lord has surely rewarded our faith and moved our Baptist people to see the urgency of our needs, and we are grateful.

We shall continue to trust the Lord and to have faith in our Baptist people. We earnestly hope that a sustained effort will be made by our churches to increase the amount of the two main sources of support for our ministry to the Aging -- the Special Offering and the Cooperative Program. From these two sources, one-third of the income for the Homes is derived, and 85% of the residents, who are financially dependent, are cared for. If we are to continue to assist these needy persons, and if we are to reduce the deficit in the operation of the Homes, (brought about by the rising cost of living), we must have more liberal support from the churches.

Since last year, the Yanceyville Home, our newest Home, has been filled to capacity. There are now almost 200 deserving older men and women living there and in our other four homes - Rest Haven and Hayes Home in Winston Salem; the; the Hamilton Home in Hamilton; and the Albemarle Home in Albermarle. These wonderful people are finding companionship with people of their age group, and are enjoying the security of knowing that they are loved and are being cared for.

It is a rewarding experience to visit these people and to see the joy of Christ on their faces, and to hear their words of appreciation of North Carolina Baptists who are providing love and care in their declining years.

We believe, therefore, that our Baptist people will want to have an ever-increasing part in this labor of love in the Master's name.

We heartily recommend that the Churches of the Carolina Association support the Homes for the Aging through the Cooperative Program and the special offering on the 3rd Sunday in February.

Respectfully submitted, W. B. Sinclair

BAPTIST CHILDREN'S HOMES

Among church supported agencies, North Carolina Baptists are fortunate to have one of the finest programs in the nation for the care and development of dependent children and for strengthening and supporting family life. This is an application of the teaching and example of Christ in His earthly ministry. More than 1200 children and their famies are served annually.

The Children's Homes, through a variety of quality services, is recognized as a family service agency. This is made possible by well trained and professional staff who provide leadership for group care programs, foster home care, family services, consultation with churches in preschool programs and planning for higher education of children who have been in care. This program unfolds on six campuses and through the work of regional casework centers throughout the state.

More requests for services are now coming to the Baptist Children's Homes than at any time in our previous history. All agency beds are filled and all available money is being utilized. A wider variety of quality services is being demanded to meet the needs of children who are the products of today's complex society. Present economic conditions make it necessary to have additional operating income with which to maintain the current program before any further expansion of services can be considered.

Friends of the Children's Homes, in Western North Carolina, have responded generously to the Founders and Builders Program to raise funds with which to establish the Broyhill Home to serve children in Western North Carolina. Sufficient funds have been given and pledged to purchase the land, to prepare the site and to construct the first two cottages for children. When the campus has been completed, provision will have been made for four cottages for children, a multipurpose administration and activities building and a home for the superintendent. With the support and cooperation of Baptists and other friends of the Home another ministry is being developed in Asheville. A home in which to serve unwed mothers and their offspring will be opened during the fall of 1969.

The contribution of our Baptist people through the Cooperative Program, the Thanksgiving Offering and special gifts are essential to our continued operation and are received with deep appreciation. An increasing number of friends are finding a rewarding stewardship opportunity through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children. Members of the staff are available for consultation in estate planning and the preparation of wills.

CHRISTIAN EDUCATION REPORT

In our present day when the world's emphasis is on education, the Baptists of North Carolina continue to have a dynamic concern for Christian education. They show their concern with over twenty-five cents of each state Cooperative Program dollar, plus a large spécial offering for Christian Education on Father's Day.

There are currently enrolled in our seven Baptist colleges over 14,000 students, with approximately 500 studying for church-related vocations. Baptist colleges exist to fulfill the primary purpose of any educational institution, but with the special purpose of emphasizing "that all truth is of God and that Jesus Christ is the supreme revelation of that truth." The ultimate aim of our colleges is to create a world community where Christian love reigns in the hearts of men.

The colleges work with the State Convention through the Council on Christian Higher Education. The work of this council is divided into three

main divisions: (1) Administration, (2) Communication, and (3) Research and study. It also seeks to keep abreast of the general development and trends in higher education.

Along with our seven colleges, North Carolina has two other distinctive educational institutions. The Fruitland Baptist Bible Institute, directed and supported by the Division of Missions, gives special opportunities of pastoral leadership to men with varied educational backgrounds. The Institute ministers to a capacity of 150 students regularly, from neighboring states as well as North Carolina. Southeastern Baptist Theological Seminary at Wake Forest is one of the six post graduate schools in our Southern Baptist Convention. Its influence reaches throughout our convention and world.

Let us remember to pray earnestly for the leadership of our Christian institutions of learning in their heavy responsibilities.

Respectfully submitted, B. D. Graham

CHRISTIAN LITERATURE

The Bible is the world's greatest library in one volume. The book of Proverbs is the businessman's ethical code of conduct. The book of Psalms is the Hebrew Hymn Book of the ages. Christian LITERATURE is the arsenal of propaganda for the present-day Christian.

The prophet, the preacher, the poet, the politician, the prelate, the potentate, and the printer must never underestimate the power and the potential of the printed page.

The Bible reminds us: "Of the making of many books there is no end." (Eccl. 12:12)

John Bunyan's Pilgrim's Progress and Adolph Hitler's Mein Kamp have wielded their influence for good or ill. John Milton's Paradise Lost and Paradise Regained, as well as Karl Marx's Das Kapital (wage, labor and capital) writings have formed men's theology and their social ideology.

Among Southern Baptists there are myriads of magazines and periodicals to be read by the multitudes.

Bacon once said: "Writing maketh an accurate man; speech maketh a ready man and reading maketh a full man."

As of January 1, 1968, twenty-nine Baptist State Papers were being published with a total circulation of 1,587,776.

Among our Baptist papers, "The Baptist Standard", of Texas, ranks first with a circulation of 367,551; "The Alabama Baptist" is second, with a circulation of 144,869; "The Christian Index", of Georgia, is third with a circulation of 137,000; "The Baptist Record", of Mississippi, fourth with a circulation of 108,000; "The Baptist Courier", of South Carolina, is fifth with a circulation of 93,500; and sixth is "The Biblical Recorder", of North Carolina, with a circulation of 91,000 or above.

One of the purposes of the Baptist Sunday School Board is: "To edit, produce and distribute, study and reading materials which will help persons to become aware of God as revealed in Jesus Christ, respond to Him in personal commitment of faith, strive to follow Him in the full meaning of Christian discipleship, live in the conscious recognition of the guidance and power of the Holy Spirit, and grow toward the goal of Christian maturity."

To mention only a few of our important publications which are vastly important: The Commission, Home Missions, The Baptist Program, The Quarterly Review, Home Life, Royal Service, Southern Baptist Educator. There are dozens of others.

Respectfully submitted, Robert P. Hamby.

EVANGELISM

This has been an important year of The Crusade of the Americas. It has been the year for the church to fulfill her mission in evangelistic services in winning the lost. Your Evangelism Committee promoted and planned a Crusade Rally which was conducted at Balfour Baptist Church. The attendance was excellent and much interest was shown.

Every church was invited and urged to participate in the Crusade, but only about 20 churches indicated they would participate. Of these 20 churches, only 14 submitted a report to your Chairman of Evangelism. These 14 churches reported 120 for baptism and 41 for transfer of church letters.

It is the feeling of this committee that many more revivals were conducted, but the churches did not report their results. It is the desire of this committee that the churches do everything possible to conserve the results of their revivals and follow the suggestion of training in stewardship and missions during 1970.

Respectfully submitted, George A. Johnson, Jr., Chairman; Curtis McCarley

RESOLUTIONS

3. That we express appreciation to the Main Street and Balfour Churches for the wonderful job done in entertaining the Association.

GENERAL BOARD REPRESENTATIVE

The function of the General Board is to carry on all business transactions of the Baptist State Convention during the year when the Convention is not in session, and to make certain recommendations to the Convention for actions whi call for Convention action, such as Budget, etc. The Board is made up of six committees: Stewardship, Evangelism, Church Programs, Christian Higher Education, Social Services, and Missions.

The January meeting is an organizational meeting, at which time officers of the Board and chairmen of the various committees are elected. The Executive Committee is made up of the President of the State Convention, First and Second Vice-Presidents, President of the General Board and Chairmen of the various committees. Five members at large are elected to the Executive Committ in keeping with the Constitution.

The officers serving this year are: James Cammack, President; Woodrow Hill Vice President; Mrs Charles Hallard, Secretary; and Miss Ruth Williams, Staff Secretary.

Among actions of special interest this year are:

A. Approval of a request from the Baptist Hospital to conduct a state-wide six million dollar campaign among individual Baptists, foundations, etc. The hospital is not to approach Baptist churches seeking an offering.

B. The renting of additional office space at 316 Edenton Street for $550 per month.

C. A long range planning committee of 19 was appointed to make a study concerning a new location for the Baptist building, with the possibility of space for the book store.

D. Some other routine matters of your Board have been handled with a fine spirit of unity and deep concern on the part of each member.

Respectfully submitted, C. H. Greene

BROTHERHOOD

This general report is written in the interest of Brotherhood work in the respective churches on the local level.

The responsibility of boys taken on by Baptist men has aroused a greater concern for youth responsibility among our men. In this work many men are finding their place of service seeking to lead boys into a more Christ-centered life.

In addition to the challenging cause of R.A. work, many other facets of community needs are coming to the forefront, more specifically named "Christians Ministries." Ministering to the bereaved alcoholics, shutins, inmates of prisons dope additcs, school dropouts, homes for the aging, music of the church, and other ministries when they may occur in the community. All of these areas of service are a challenge for laymen in the churches as they serve along with their pastors as they seek to serve the Lord as taught in the New Testament. The active layman, through the Brotherhood organization, is of tremendous help to the pastor.

Pray for the Brotherhood men of the Carolina Association as they continue to meet the great challenges of today in their respective churches and communities.

Respectfully submitted, Roy A. Huggins

WOMAN'S MISSIONARY UNION

Along with other organization sof the Association, the Woman's Missionary Union participated in the "Shaping of the Seventies" clinic at First Church, Hendersonville. Shortly after this, the W.M.U. officers met together and studied the new manuals; still another session was held to study "The Dynamic Church".

One of the highlights of our work this year was the Sunbeam Day Camp. The director, Mrs. Curtis McCarley, did a beautiful job with this group which met at Berkley Mills Park with sixty in attendance. The G.A.'s and Y.W.A.'s each had their quarterly meetings under the capable leadership of Mrs. John Love and Mrs. Ronald Hyder. This was a wonderful opportunity of five fellowship and inspirational programs. Something new this year was the Associational-wide G.A. foreign mission study at Main Street Church. We were thrilled with the response.

Our annual meeting was held at Balfour. Miss Kathryn Bullard from Raleigh was the speaker. The hostess church served refreshments during the fellowship period.

The Carolina Association took advantage of the officers' clinic at Camp Mundo Vista, with six attending the over-night meeting. We returned home to teach in two clinics, thus, preparing our ladies for the many new things this year offers. These were held at First Church, Tryon and Shaws Creek. The fellowship period was a delightful time, with each church serving refreshments and making everyone feel welcome.

We continue to plan together with other associational leaders toward reachir mutual goals and objectives in order that the work of the churches may be strengthened. We take seriously our commitment to work alongside the Brotherhoc to provide missionary education for the entire church, taking the position of leadership at times and playing a supporting role at other times in order that more Baptists may become involved in missions, praying, giving, learning and seeking to meet needs of others around the world.

Respectfully submitted, Mrs. Guthrie Colvard

CHURCH TRAINING

The first meeting of the year was "M" Night, held at the Mud Creek Church on November]7, with 375 in attendance. The program included three discussion groups, each group covering the three areas of Church Training. The inspirational speaker was Dr. E. Eugene Poston, President of Gardner-Webb College.

Following a state-wide "Shaping the 70's Clinic" in Asheville, January 22-23 the Association Director participated in teaching a similar clinic in our local association, February 16-19. About two-thirds of the churches responded with their attendance.

Youth Night was held at the Fruitland Baptist Institute on March 14. 172 wer in attendance, with twenty churches represented. A youth group from the Columbu Baptist Church presented the folk musical, "I Wonder." New youth officers were elected. They included: Gail Booth of Fruitland, President; Micki Sinclair of Bearwallow, Vice President; Marion Hines of Hendersonville First, Kathy Pace of Saluda, and Connie Garratt of Mt. Moriah as committee members.

The Superintendent of Missions was instrumental in planning and promoting th Central Training School, held at Hendersonville First Baptist Church, March 16-19. State and local leaders instructed the 166 who attended in the new program of group-grading, literature and leadership. Classes were also provided for the youth and children. New books were available. Sixty-seven Study Course Awards were requested.

There were participants in the local, regional and state tournaments this year. The Association Tournament was held at the Barker Heights Church, where five Juniors, two Intermediates, and two Adults participated. The Regional Tournament was held at Canton First Baptist Church. Five of our Juniors were state winners. Jack Pugh was to participate in the State Bible Reading Tournament, but was unable to go. Fruitland and Locust Grove Churches furnished all the participants this year.

Respectfully submitted, Herman F. Hicks

SUNDAY SCHOOL

A deep debt of gratitude is due Mr. C. M. King for his leadership in Sunday School work during the first part of this year. Also, his help in launching the '70's Clinic.

It has been our privilege to work with our missionaries and consultants in the '70's Sunday School projection plan which included help to many churches in four areas:

1. Interpreting the changes taking place in Sunday School work in the seventies.
2. Counseling on the reorganization problems that may occur.
3. Determining the literature best suited for the new organization.
4. Interpreting the 70/70 launch plan which is designed to get a Sunday School program successfully underway.

We believe the new Sunday School program, organization and literature will usher in a new day in our Bible teaching program. Much time will be needed this year to study, plan and implement these changes.

It is encouraging to know, also, that our Sunday School Department of our State Convention is training people all across the State to give further specialized help to churches as needed.

The Area Bible Conferences conducted by the Sunday School Department of our Convention have been most gratifying both in attendance and help to our people.

Respectfully submitted, C. H. Greene

MISSIONS COMMITTEE

The Missions Committee has sought to fulfill its ministry this year as it worked with the Superintendent of Missions in the total Associational Program. The director of the work of the Mission Store has been a very important part of the work. We have tried to help churches who came to us for assistance in many different ways.

We have worked with Mr. Colvard in the survey of the Northern New York Area in planning for the Evangelistic Crusade next spring, April 25 - May 2, 1971.

The year of 1971 offers to us our World Mission Conference, October 31 - November 5. We will have missionaries from Associational, State, Home and Foreign Mission fields with us. Your church will soon be asked to commit itself to this emphasis.

We express our thanks to Rev. George Johnson, Jr. for his leadership, and we pray for him as he goes to the pastorate of Tabernacle Baptist Church of New Bern, North Carolina.

Respectfully submitted, Guthrie Colvard

MISSION STORE

The Mission Store is serving an excellent purpose in our area. Many persons are able to clothe themselves with dignity and keep their personhood as we serve them through the store.

A little girl was in school this summer because you had the store in a serving position. A young mother and her children had furniture in their home because of this mission project.

There are needs. Men's clothing is always in short supply. Shoes can be used, and we never have enough for men and children. Good used furniture can be used; and if you have some, please call this telephone number 692-2404.

Our special thanks to Mrs. Roberts and her staff for their faithful work.

Taught English and speech one quarter at Fruitland Baptist Bible Institute.

Miles traveled in work during past twelve months - 18,252.

I did not do this work without the help of others. My appreciation to Mrs. Colvard, the officers of the Association and the pastors and leaders of the churches.

Respectfully submitted, Guthrie Colvard

COOPERATIVE PROGRAM

This decisive decade will see more and more Southern Baptist Churches majoring on ministering to the needs of the whole person. Opportunities of service are open to Baptists as never before. The time to launch out as the people of God on mission - is NOW.

To be a people on mission we must serve where we live, but we are not to stop there. Each church fellowship can and should expand its witness to the far corners of the earth. This can best be done through each church participating in giving through the Cooperative Program. Through such giving we support others who carry the Good News where we cannot go.

A church cannot fulfill its mission as effectively when it fails to give or cuts its giving to our total mission endeavors. Missionaries both on the home and foreign fields depend to a large extent on our giving through the Cooperative Program.

For the gospel to be given to all men, we have a responsibility to provide the means for the promoting of the Good News.

This decade is a challenging and decisive one. One that demands our best for our Lord. We must back up the called out ones who go out, with both our prayers and our pocketbooks.

As we go through this associational year may we seek to do two things: (1) as co-operating churches, seek to up our percentage of cooperative program giving; (2) pray earnestly for and talk with those from fellowships not yet involved in a world-wide ministry, hoping that they will catch a vision and seek, with us to rise to meet the needs of our day.

Respectfully submitted, James H. Ballard

MIGRANT MINISTRY

The migrant ministry program in Henderson County, sponsored jointly by the Carolina Baptist Association, the Baptist State Convention, and the Home Mission Board, cooperating with the Migrant Council of Henderson County, was a very fruitful and rewarding endeavor. Many churches of the Carolina Baptist Association responded to the "adopt-a-camp" plan and to the call for Vacation Bible Schools and Adult Bible Study classes. Also, other church groups participated in the ministry to this deprived group of society. Clothing, health kits and other supplies came from still other North Carolina Baptist Churches.

Mr. Charles Hayes, who served his second summer as migrant minister, stated that he returned home feeling that something worthwhile had been accomplished. Throughout the eight weeks of work with the migrants, he tried to become their friend, and this was deeply appreciated.

The film service ministry was profitable, reaching almost everyone in the camp. The films were well received, and recreation and fellowship periods enjoyed. Three camps were able to have Vacation Bible School and Adult Study classes with excellent response. The largest camp, however, had a group of Jewish young people who conducted three afternoons of crafts and recreation and were greatly appreciated.

Mr. Hayes spent his days visiting with individuals with various problems, and doing whatever counseling he could with them. He makes the following recommendations for this continued ministry:

1. Continue to have a minister, with a youth team to assist him, possibly from the Home Mission Board.
2. Have services or programs in camps more than once a week. Have two or three churches adopt a camp and do some type of ministry on two or three nights.
3. Continue film ministry.
4. Have a team work in camps during day or be responsible for Vacation Bible School.
5. Have minister arrive before July 4, in order to arrange schedule and make plans (orientation period).
6. Notify churches in April about "adopt-a-camp" plan and have them commit themselves then.
7. Cooperate with Henderson County Migrant Council without minister having any ties.

Respectfully submitted, B. D. Graham

FOREIGN MISSIONS

On May 1, 1970, Southern Baptist missionaries were under appointment to 71 geographical or political entities. In 1969 three new fields were added: Dahomey, Leeward Islands and Senegal. Missionaries assigned to Dahomey were in language school in France on May 1, 1970.

At the close of 1969 the Southern Baptist Foreign Mission Board had an overseas missionary staff of 2,490. This included 153 missionary associates, 4 special project nurses, and 128 missionary journeymen. Appointments during the year totaled 261 (139 career, 49 associates, 62 journeymen, 1 special project nurse, and 10 career reappointments). Between January and May, 1970, 18 more were added.

The year set a new record for missionary appointments. Yet, even with the added personnel, several hundred calls for new missionaries needed on the fields are still unanswered.

Underlying all our missionary endeavors is the ultimate purpose of leading people to new life in Jesus Christ and the cultivation of New Testament Churches. At the end of 1969, reports from the Missions (organizations of Southern Baptist missionaries) totaled 5,303 churches (3,821 self-supporting), 7,375 mission points, and 4,574 national pastors. Also, reported were 54,994 baptisms and 631,259 church members. Mainland China, closed to missionaries since 1951, was last estimated as having 392 churches, with 123,000 members, related to Southern Baptist mission work.

A major focus of attention during the year was the completion of the Crusade of the Americas.

The 758 schools (in 43 countries) with which our missionaries are related enrolled 93,005 students and were staffed by 3,150 national and 460 missionary teachers and administrators.

Twenty-seven publication centers overseas and at El Paso, Texas, produced over 29 million pieces....tracts, books, Bibles, etc.

Medical institutions in which Southern Baptist missionaries serve included 21 hospitals and 92 clinics and dispensaries, with a total of 1,538 beds.

Total contributions of Southern Baptists for foreign missions amounted to $31,005,797 as 1969 closed (a per capita gift of $2.70). The 1969 Lottie Moon Christmas Offering had reached a total of $15,297,558 by May 1, 1970.

There are always financial needs above the resources which Southern Baptists make available to foreign missions. Let us pray and give that this year will even be a greater year than 1969.

Respectfully submitted, Kenneth Ridings

HOME MISSIONS

The Board is observing its 125th anniversary year with gratitude to God for His favor and appreciation to Southern Baptists for their support during the past century and a quarter.

The Board's 2,235 missionaries serve in all fifty states, plus Puerto Rico and Panama. The missionary force is augmented by 922 youth who served as summer missionaries.

The Board is grateful for another year of increased financial support. The Cooperative Program, its basic ongoing source of support, reached almost $5.5 million last year; the Annie Armstrong Easter Offering passed $5 million for the first time. These gains have enabled the Board to strengthen its programs at various points, to realize a slight increase in number of missionary personnel, and to provide urgently needed salary increases in view of rising costs of living.

Southern Baptist Churches reported 368,225 baptisms for 1969. Out of this number 69,359 were reported through the Home Mission Board as follows:

Christian Social Ministry	3,811
Metropolitan Missions	4,037
Pioneer Missions	5,053
Rural Urban Missions	2,503
National Baptists	3,596
Nonevangelicals	108
Language Missions	15,996
Special Service Ministries	17,088
Christian Service Corps	845
Chaplains	13,156
Staff	3,166

We thank God for the opportunity of service in His name.

Respectfully submitted, Guthrie Colvard for George Johnson, Jr.

STATE MISSIONS

The roots of State Missions are more than a century old in North Carolina Baptist life. From this deep rooted ministry North Carolina Baptists have extended their arms of love into various areas of need. Year by year we strengthen these roots by giving of our time, talents, tithes and offerings for the glory of God and the good mankind.

The purpose of this mission program is to strengthen each church in its local work and to share the good news of Christ. Our homes and home churches are the very lifeline of the roots of this great ministry.

Through State Missions we are helping in every area of Christian life. With our gifts, we are growing something lasting. We are helping people to know Christ.

The fruits of State Missions can be seen in several areas such as: new churches, salary supplements for mission pastors, associational missions, evangelism, church development, seminary extension, aid on church lots, mission to the deaf, Fruitland Bible Institute, pastor's schools, interracial aid, missions in the prisons, good will centers, Indian mission work, military missions and all other general board work. These fruits produce new roots, which in due season will bring forth fruit pleasing to our Master.

The ministry of State Missions is a cooperative one. It is usually given in cooperation with the local church. An attempt is made to always work in close cooperation with the local Baptist Association and churches. A majority of our associations are given financial aid through State Missions. Some State Mission projects are a cooperative financial effort of the Baptist State Convention, the Association, and the Home Mission Board.

Our State Missions ministry is supported by Cooperative Program receipts and the special September offering for State Missions. Won't you give, and encourage your church to give to this great ministry that others may know Him who is "the way, the truth, and the life."

Respectfully submtted, Frank Carter

NORTH CAROLINA BAPTIST FOUNDATION, INC.

The fact that the North Carolina Baptist Foundation, Inc. has tripled its assets during the past eight years is proof that this service arm of the Convention has found favor with North Carolina Baptists.

Since the Foundation was reactivated in 1966, assets have increased from $350,000 to more than one million dollars. This includes trust funds and real estate.

THE FOUNDATION advances the Kingdom of God in two major ways: by serving individuals and by serving Baptist agencies and institutions. This includes the Cooperative Program, Missions, Higher Education, the Baptist Hospital, the Baptist Homes for the Aging.

THE FOUNDATION has again this year put a major interest on the making of wills. Many churches have used the facilities of the Foundation to conduct Will Clinics, and reports from these clinics indicate that they have been very successful.

THE FOUNDATION also has an opportunity to counsel with many people concerning their own wills, and in some instances has provided the information and direction necessary for inclusion of Baptist causes in their will.

THE BAPTIST FOUNDATION has had a most successful year, is on the move, and is rendering service to individual Baptists in a concrete way.

AMERICAN BIBLE SOCIETY

Whenever the American Bible Society publishes the Scriptures, whether it is the whole Bible, the New Testament, or even a Scripture portion in a new translation, it is to make it easier for someone somewhere to read and understand God's Word.

To minister to special groups, you will find appropriately selected, translated and designed Scriptures for the blind, for campus ministries, for the inner city, for the ill and handicapped.

For 152 years the American Bible Society has published and distributed the Scriptures in more than 600 languages and dialects throughout the world. Right now with Bible Society counsel and financial assistance, more than 3,000 translators in 150 countries are translating and revising the scriptures. Thus far, at least one book of the Bible has been translated and published in more than 1,300 different languages and dialects.

We in the Carolina Baptist Association are appreciative in a very special way of the work of the American Bible Society through our mission store. This year we have been able to furnish extra large print New Testaments to approximately fifty elderly people at cost. We believe that this is a special mission opportunity that we have been able to share with the Society.

Respectfully submitted, Mrs. Curtis McCarley

HISTORIAN'S

This report has been delayed until the last minute in the hope that more of the churches would make their reports. It is to be lamented that last year twenty-five percent of the churches never filed a report at all. Herein we are using information gathered from only 32 of the 58 churches.

The following improvements to the physical plants of the various churches are of note: Brightwater has begun worship in a new building; Tuxedo First has dedicated a new $82,000 auditorium; Ebenezer has dedicated an $82,000 annex; Naples held open house for a new parsonage; Mt. Olivet dedicated a new church building; and East Flat Rock First has broken ground for a $105,000 educational building. Hendersonville First has bought an adjoining lot for beautification or possible expansion.

The following resignations of pastors are on record: Rev. W. W. Worley at Upward, Rev. Clyde Fetner at Horse Shoe, Rev. George Johnson at Saluda, Rev. William Landreth at Zirconia, Rev. Daniel Stiles at Brightwater, Rev. Buddy Mullinax at Calvary, Rev. Albert Rhodes at Cross Roads, while Bob Goode and Dave Causey have resigned as associates at Hendersonville First.

New pastors making their appearance are Rev. Troy Davis at Cross Roads, Rev. Frank B. Hopkins at Shaws Creek, Rev. O. B. Williams at Upward, Rev. Jimmy F. Merck at Horse Shoe. Rev. Rudy W. Smith at Zirconia. Hendersonville First has secured as associate, Rev. T. G. Proctor, who had served as pastor at Shaws Creek for many years. Upon the successive resignations of Mrs. Carolyn Surrett and Mrs. Eugene Schuyler, Mrs. Velma Rymer has been secured as secretary of the Carolina Association.

Two men have been ordained to the gospel ministry since last report: Rev. Eugene Schuyler at Fruitland, and Rev. Rudy W. Smith at Balfour.

Meetings of association-wide interest were the Bible Conference for Western North Carolina counties and the three day training school for all churches of the Association, both being held at the First Baptist Church of Hendersonville. Oak Forest Church continues to point the way in the matter of training. This church recently held graduation exercises for 26 members who had completed six months of special training.

We note with sadness the passing of three former pastors within the Association: Rev. W. W. Marr, who was pastor at East Flat Rock and Mud Creek; Rev. Richard J. Pace, who had served at Crab Creek and Holly Springs; and Rev. M. L. Lewis, who had been pastor at Balfour, Fletcher, Tuxedo, Refuge and Dana.

Other Items of Interest

We extend congratulations to our Associational Missionary and his secretary in the "Award Outstanding Plus" in the Associational Annual Evaluation in which they were recently honored.

We congratulate Rev. and Mrs. Floyd B. Clark upon their fiftieth wedding anniversary. Mr. Clark was at one time our associational missionary.

Likewise, congratulations are due to Rev. George Roberts upon his 25 years as pastor at Refuge. In appropriate ceremonies, his church honored him with a new automobile.

Rev. Ian H. C. Walker recently led a group on tour of many of the countries of Europe.

If you want your name in the minutes, let us know what you have done.

Respectfully submitted, C. F. Jervis

We believe there is a definite need for our associational mission program, and we believe that the churches will meet that need when they know the facts and understand the work that is being done.

To have a Superintendent of Missions (Associational Missionary) and keep an office for the help of the churches is the major expense of the associational mission program. The budget of the Association is just under $15,000, and this calls for the support of all the churches which belong to the Association. We ask that you give prayerful consideration to the following suggestion. The

request is being made that each church give at least 3% of its undesignated income for associational work. THAT IS 3 cents out of each regular offering plate dollar that the church receives. If your church received $100.00 per week, then that would be $3.00 for associational missions. If you receive $500.00 per week, then that would be $15.00 for associational missions. Is there a church in the Carolina Baptist Association that could not give that amount? The Lord does not ask us to do more than He gives us to do with.

Respectfully submitted, M. K. Sinclair, Treasurer; Ray Jones,
W. G. Egerton, George Johnston, Kenneth Ridings, Chmn.

EXECUTIVE COMMITTEE

The Executive Committee met in three regular sessions and in other called sessions during the Associational year.

The Committee worked with the Superintendent of Missions in planning the migrant work this past summer under the direction of Charles Hayes. The Committee voted to give $400 from the Reserve Fund and $400 from the Henderson Migrant Council to the Baptist State Convention for the support of this ministry. We feel that this ministry under the leadership of Brother Hayes has been very successful.

The Committee sent Mr. Colvard to New York state in August to survey the possibility of some of our Carolina Association pastors assisting there in a Crusade of Evangelism next spring. Mr. Colvard presented his report to the Pastors' Conference soon after he returned to Hendersonville.

Our Association supported the Area Bible Conference in September with a contribution of $500 as voted by the Executive Committee. Mr. Colvard's trip and the support of the Bible conference were both financed from proceeds collected from the operation of our mission store.

It was also decided by the Committee that a request be included in the financial report to read: "that each church give at least 3% of its undesignated income for associational work" The Committee is requesting each church to consider an increased support of our Associational program.

As the Moderator of the Association, I would like to ask that each church in our fellowship send a representative to each meeting of the Executive Committee. Notification of these meetings is sent to each pastor well enough in advance for each church to be represented. Your consideration of this report with the suggestions contained therein will be deeply appreciated by the Moderator and the Superintendent of Missions.

Respectfully submitted, John Rymer, Moderator

EVANGELISM

In associational evangelism clinics a strong emphasis was placed upon: Shaping the 70's through Evangelism, Strength for Living Revivals, and Youth Evangelism. Some churches across the state experienced outstanding revivals as a result of dependence upon the Holy Spirit, genuine prayer, careful planning, and involvement of adults and youth in witnessing.

All Christians need to accept the challenge of Acts 2:32 - "This Jesus hath God raised up, whereof we all are witnesses." In his book, "Exploring Evangelism", Mendell Taylor reminds us of this tremendous truth: "When Christians fail to evangelize, the very existence of the church is threatened. Evangelism is indispensable in the life of the church." All Christians can reveal to the world a greater concern for evangelism and total Christianity.

An Evangelism Research Seminar was held at Southeastern Seminary, Wake Forest for October 5-6, 1970. This seminar included an indepth study of five papers related to evangelism.

The 25th Statewide Evangelism Conference will be held at War Memorial Auditorium and Greensboro Coliseum on February 1-2, 1971. The closing session will be a Youth Evangelism Night in Greensboro Coliseum which seats 16,000 with Dr. Leighton Ford of the Billy Graham Association as the featured speaker.

Pray for this special session that many youth will make genuine decisions for Christ.

An Evangelism Clinic, emphasing perennial evangelism, was held at the Main Street Church. At this clinic, many ways of carrying on a continuous evangelism program in the church was discussed.

Your Committee is considering the possibility of a countywide evangelistic crusade sometime in the future. This matter has only been discussed, and at this time no definite plans have been made.

The future is before us. Let us put our best efforts into a program of evangelism. When these efforts are saturated with the Spirit of God, we will see an ingathering for which we have all prayed.

Respectfully submitted, George Roberts

BAPTIST HOSPITAL

Our Baptist Hospital provides a ministry to sick humanity to which all Baptists can have a part. The last few years have been difficult, operating with a deficit because of rising costs, plus a heavier demand for free ministry. Adjustments in admittance and other improved practices have helped to a degree. More than a million dollars of free service has been taken care of by the Mother's Day Offering during the past year.

During this year the hospital requested permission from the General Board to conduct a financial campaign. The Executive Committee recommended that the request of the Baptist Hospital for approval to conduct a statewide six million dollar campaign among individual Baptists, foundations, etc., be granted-with the understanding that they will abide by the financial plan of the Convention not to approach Baptist churches seeking an offering or an item in the budget for the campaign.

In the Carolina Association, we had forty-three churches giving to the hospital during the period of January through September 1970, with total gifts of $5,134.79.

BAPTIST CHILDREN'S HOMES

North Carolina Baptists, under the leadership of the Holy Spirit eighty-five years ago, launched a Christian ministry of child care that has grown considerably and is widely recognized for its qualities of service and pioneering spirit. Sons and daughters of the Children's Homes are scattered throughout the world. They are actively engaged in all walks of life and are making a significant contribution to mankind as a result of their early Christian training.

The Children's Homes, through a variety of quality services, is recognized as a family service agency. This is made possible by well trained and professional staff who provide leadership for group care programs, foster home care, family services, consultation with churches in pre-school programs and planning for higher education of Children who have been in care. This program unfolds on five campuses and through regional casework centers throughout the state. Soon to be added is a sixth campus, the Broyhill Home in Haywood County, between Waynesville and Clyde. Some 50 boys and girls will be cared for. The Home is named in honor of the Broyhill family of Lenoir.

Friends of the Children's Homes, in Western North Carolina, have responded generously to the Founders and Builders Program to raise funds to establish the Broyhill Home. Two cottages are now under construction and are scheduled to be ready for use by next spring. When the campus has been completed, provision will be made for four cottages for children, an administration building and a home for the superintendent.

North Carolina Baptists and other friends of the Homes are making possible this Christian ministry which serves hundreds of boys and girls who otherwise would be denied many of life's opportunities.

Contributions through the Cooperative Program, the Thanksgiving Offering and special gifts are essential to our continued operation and are received with deep appreciation. An increasing number are finding a rewarding stewardship opportunity through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children. Members of the staff are available for consultation in estate planning and the preparation of wills.

Respectfully submitted, H. B. McIntyre

HOMES FOR THE AGING

No greater work of love and care is being done by North Carolina Baptists than that which is being done by the five homes maintained and supported by North Carolina Baptists where 195 elderly people are cared for in every way.

From July 1, 1969, through June 30, 1970, North Carolina Baptists contributed $168,349.30 for the support of these homes.

This exceeded all other yearly offerings, but we are all aware of the continual increase in the cost of living. This cost of living affects our homes for the aging as well as our individual homes.

Thirty-one churches in Carolina Association contributed only $1,906.22 to the homes last year. Surely, we can do better than this. Our church at East Flat Rock contributed more than that last year to the North Carolina Children's Homes. This we should have done, and not left the other undone.

Everyone loves a child and will usually give to supply the needs of children, but what about those in their "second childhood." There is no sadder plight than to reach old age and be without close loved ones and the money to take care of one's needs.

Jesus said, "Suffer the little children to come unto me, and forbid them not: for of such is the kingdom of heaven." He also said, "Forget not the widows in their affliction." I am sure that includes the widowers, also.

Let us not give less to take care of needy children, but let us give more, much more to take care of the needy elderly. As Carolina Baptists let us provide the necessary care for the older ones among us, remembering that we too may grow old and be in need of some loving care.

Respectfully submitted, Henry O. Hearn

ANNUITY BOARD

Many years ago on a dark and silent night, three men were riding across the desert. A voice out of the night cried, "Halt!" Fearing for their lives they did as they were told. The voice then said, "Dismount." They continued to obey. "Around you, you will find small stones," the voice went on, "fill your pockets with these and continue on your journey." After they had done as they were told and remounted, the voice still a great mystery to them said, "Tomorrow at the light of day you will be both glad and sad." "Peace be with you."

Having great fear of the voice they continued to ride all night, but at the first light of day they examined the rocks in their pockets. They were truly glad and sad! Glad they took what they did and sad they didn't take more. For the rocks were pure gold!

That is the way our Annuity Board Protection Plans are...whether it be Hospital Insurance, Life Insurance or Relief and Annuity...if we take them, when it comes time to use them we are glad we took what we did and sad we didn't take more.

Churches what have you really done for your pastor and his staff??? If you need help in this regard, please call on me.

Respectfully submitted, Ted N. Reese

CHRISTIAN EDUCATION

There is a tremendous emphasis today on education. We are grateful that in spite of pressures our Baptist schools have been able to maintain themselves while facing the competitive atmosphere of State Universities.

The seven North Carolina Baptist Colleges last year, had enrolled more than 600 students who dedicated their lives to Christian service. A great number of these will become pastors, missionaries, etc.

As interlocking cogwheels, the churches together can help maintain the distinctive Christian atmosphere of these schools by giving generous financial aid through the Cooperative Program. Outside of student charges, the Cooperative Program continues to be the largest single source of income for our colleges.

These colleges in North Carolina are part of a great convention-wide program for Christian higher education. There were enrolled last year in Southern Baptist colleges and universities 7,070 who have chosen to give their lives to the service of the denomination. These include 3,671 ministerial students, 863 home and foreign mission volunteers, 610 church education volunteers, 853 church mission volunteers, and 1,081 who have volunteered for some category of Christian vocational service.

A special emphasis for the observance of Baptist College Day will be June 20, 1971. Free bulletin inserts, bulletin covers, and offering envelopes are made available to all Baptist churches in North Carolina who wish to use them on Baptist College Day. This helps to meet critical financial needs.

Last, but not least, is our Fruitland Baptist Institute which gives opportunity of leadership to many who do not have means by which they can attend a college. This institute ministers to these students preparing them for Christian work in neighboring states as well as in North Carolina.

Much prayer is needed for the leadership of our Christian institutions in this day of multiple responsibilities.

CHRISTIAN LITERATURE

Christian education is dependent upon the use of the best possible literature that can be used effectively in any church program.

In addition to this, our own State provides one of the most dependable sources of information available, and that is the Biblical Recorder.

For 137 years, North Carolina Baptists have had the Biblical Recorder as a dependable source of information. Week by week it goes into the homes of nearly 90,000 families, striving to speak the truth in love.

In the past year, the Recorder was pleased to have had a part in the election of Dr. Carl Bates of Charlotte as president of the Southern Baptist Convention. A Recorder editorial endorsing him was considered a factor in his election on the first ballot at Denver. It is an honor to have the convention president from our state. This is just one example of the influence the Recorder has had in the past year.

Looking to the future, the Recorder promises to continue its fight against liquor by the drink, even in the face of strong opposition from those who are pushing for a greater flow of liquor in our state. If your church is not sending the Recorder to every home, try doing this for the coming year so members can receive the full story on the 1971 General Assembly.

Your church would not think of trying to carry out its mission without literature devoted to the Sunday School, Church Training, WMU, Brotherhood and all other church organizations. The Recorder is just as important and should be in the budget just as this literature is. The cost is only 4¢ a week, a penny less than a post card. Your church is the loser by not taking this step. Won't you do it this coming year?

Respectfully submitted, W. Douglas Cole

TEMPERANCE AND PUBLIC MORALS

Our emphasis on applied Christianity makes it necessary that we deal with the more basic problems if we are to make our influence felt in the facing of important moral issues of our day: race relations, crime and war.

The teaching, preaching and practicing of Christian love for all people must be emphasized continually if we are to solve the problem of hate in our hearts and in the world. Love and concern for neighbors, races and nations is better caught than taught; and Christian profession demands that kind of a response.

Since alcohol, drugs and sexuality are directly or indirectly the cause of so much of our crime, we must continue to educate our people about the dangers involved in these areas.

We commend the work of the Christian Action League in leading the fight against the sale and use of alcohol and join with them in their efforts to reduce traffic fatalities by striking at the heart of the problem, the drinking driver. We urge individuals and churches to assist them in getting Marse Grant's book, Whiskey at the Wheel, into the hands of the driving public.

The Christian Life Commission has made available a number of new "Issues and Answers" pamphlets, along with many tracts to help the church emphasize the practical dimensions of the Christian faith. An action guide on pornography has been prepared. A Christian Life Committee Guidebook is available free to those seeking specific suggestions as to how to plan and work in the area of Christian social concerns.

To be true to God's high calling in Christ Jesus, Christians today must be both the converted, gathered church and the reconciling, dispersed church, going into the community to be the salt of the earth and the light of the world.

Respectfully submitted, Frank B. Hopkins

RESOLUTIONS

BE IT RESOLVED:

1. That we express our appreciation to the Naples Church and the Shaws Creek Church for their wonderful hospitality during the Annual Associational Meeting.
2. That we express our appreciation to the officers of our Association for the orderly manner in which the business was transacted.
3. That we express our appreciation to the Re-Act Squad for the splendid manner in which they handled the parking at the Naples Church.
4. That we commend Brother Colvard and his wife for the great work they have done since coming to our Association.
5. That we express our thanks to the Mars Hill Choral Ensemble and their Director, Mr. Robert Rich, for the inspiring message in song.

BE IT FURTHER RESOLVED by the Carolina Associational Meeting, in annual session, October 27, 1970, based on the theme of Christ's command as outlined in Matthew 28:19-20, Mark 16:15, Acts 1:8 and other supporting scriptures, and known as the Great Commission:

6. That we believe that the number one priority for every Christian, this Association, our State Convention, the Southern Baptist Convention, and all like Christian bodies should be the Great Commission.
7. That based on the general decline of Christian principles, morals, and ideals on a broad scale, and the futility of man's search for fulfillment in the materialistic elements of today's society, we pray that each individual Christian and all Christians collectively, in their own churches, associations, groups and denominations would seek ways of cooperation, with the leadership of the Holy Spirit, to fulfill this command of our Lord and Saviour with a sense of urgency and in obedience to His command.
